

Tax Bill Set In Senate

WASHINGTON (AP) — The \$50 tax rebates are gone from the Senate's version of President Carter's streamlined economic stimulus plan, but the bill still would provide a tax break for 45 million taxpayers who take the standard deduction.

The Senate on Tuesday complied with Carter's decision to scrap the \$10 billion tax rebate plan. It is arguing over his request to abandon proposed tax breaks for business worth \$3.3 billion over two years.

An effort to knock out the business tax breaks ran into strong opposition and was set for more debate today.

When Carter announced last Thursday that improved economic conditions had led him to change his mind on the rebates and business tax breaks, he said he still intended to press for the rest of his stimulus plan, including the change in the standard deduction.

For taxpayers who do not itemize deductions, the Senate bill would fix the standard deduction at \$2,200 for single persons and \$3,200 for couples and heads of household.

It currently ranges from \$1,700 to \$2,400 for single persons and from \$2,100 to \$2,800 for married couples. Heads of household — generally widowed or divorced women with minor children — now must use a single person's standard deduction.

The House-passed stimulus bill would raise the standard deduction to \$2,400 for singles and \$3,000 for couples, keeping heads of household at the single person's level.

The House bill would result in a \$4.8 billion annual tax cut and cut taxes an average of \$105 for 45.5 million taxpayers.

The Senate bill would reduce taxes by \$5.6 billion annually, including an average cut of \$121 for 47 million taxpayers. But it also would hike taxes by about \$50 for 1.7 million single persons.

With Carter planning to reveal his energy tax plans to Congress tonight, Senate Republicans argued against any hasty final action on the stimulus bill.

Carter originally urged giving businesses the option, through 1980, of taking a 2 per cent boost in the investment tax credit, now at 10 per

cent, or an income tax credit equal to 4 per cent of the employers' share of Social Security payroll taxes.

The House last month discarded Carter's business tax break plan and instead passed a new jobs tax credit.

The Senate finance committee revamped the jobs tax credit and restored Carter's 12 per cent investment credit alternative.

Carter Presents Energy Plan

WASHINGTON (AP)—President Carter, preparing to spell out details of a tough new energy policy, is telling Congress that he will shoulder the political blame for asking Americans to sacrifice and pay much more for fuel.

Carter appears before a joint session of Congress tonight, his second nationally televised speech on energy in three days. The 9 p.m. address will be carried by all three commercial television networks.

In the final step of a weeklong energy blitz, Carter also has scheduled a Friday news conference to defend his energy package.

The package is expected to include a standby tax of up to 50 cents on each gallon of gasoline starting in 1979 unless Americans conserve gas.

Briefing 35 House members and senators Tuesday, Carter said the lawmakers can blame him for the stringent energy conservation measures he is asking them to approve.

"If you want to call it the President's program, that's okay with me," Carter said.

"He seemed very much aware of the political realities," said Rep. John Brademas, D-Ind., the assistant House majority leader.

Some of those realities began to emerge on Capitol Hill even before the Carter plan was formally announced.

Various members of Congress who attended a White House breakfast or were briefed by Carter's energy advisers confirmed widely published reports that the energy proposals will include the standby gasoline tax, new taxes on crude oil and a "gas guzzler" tax of up to \$2,500 on cars that get low gas mileage.

Much of the opposition in Congress is expected to form along regional lines.

Sen. Dewey Bartlett, R-Okla., said the plan to use taxes to raise domestic crude oil prices to the level charged on the world market by 1981 would fall unfairly on producing states, which have been more accustomed than other regions of the country to benefiting from cheaper oil.

Sen. Henry Jackson, D-Wash., chairman of a committee that will handle much of the energy package, said of the standby gasoline tax: "I

don't think that's meaningful. I don't think it will work."

Carter, however, drew full support in advance from House Speaker Thomas P. O'Neill.

"I appreciate the toughness of the President's program," he said. "but I also appreciate the emergency that faces the nation."

Rep. Thomas Ashley, D-Ohio, who heads a select committee that will pass on the energy proposals, said the plan to raise crude oil prices to world market levels will also mean sharp increases in the price of gasoline at the pump, as much as seven cents a gallon by 1979 and four or five cents more by 1981.

"The implications of that obviously haven't been fully realized by the American people or the Congress," he said.

Ashley and other House members said the administration has yet to decide on a means for returning the extensive tax revenues to low and middle income persons.

That decision will come after the energy package goes to Capitol Hill.

State Solons Get Bargaining Bill

COLUMBUS, Ohio (AP) — Senators have received and scheduled prompt hearings on a controversial bill setting collective bargaining procedures for about 510,000 Ohio public employees.

Sen. Harry Meshel, D-33 Youngstown, introduced the bill Tuesday and said hearings will begin April 26 before the Senate Commerce and Labor Committee. He added that the hearings probably will extend over several weeks because of the proposal's complexities. A "right to strike" provision is the bill's thorniest aspect.

The bargaining bill, along with the state budget, are to receive top priority in the coming weeks as Democrats seek to reap maximum advantage from their veto-proof majorities in the two chambers.

GOP Gov. James A. Rhodes vetoed a similar bargaining bill in 1975, when Democrats lacked the votes to override him, and also rejected 72 line items in the Democrats' 1976-1977 budget bill.

The new budget, to run the state for two years starting next July 1, is expected to emerge later this week from the House Finance Committee which has had it under study since late January. Democrats have had it behind closed doors.

House Finance Chairman Myrl H. Shoemaker, D-88 Bourneville, remained mum Tuesday about

changes they have been made in the measure which appropriated \$14.5 billion when the governor submitted it.

The finance chairman did say that the budget's total will be less, but indicated this is because the committee will have a separate document for the transportation department and a third bill providing for capital improvement projects.

Shoemaker said the total for the three bills had not been determined because certain decisions remained to be made.

Otherwise, it was reported that Democrats have been stymied in their efforts to ready the big spending measure for a floor vote April 17, as they had hoped. Instead, it was seen as more likely the House will vote on it the first week in May.

Meshel, who as finance chairman will preside over the budget deliberations in the Senate, said Tuesday that early May is soon enough for that chamber to start hearings. His committee has been hearing some testimony in advance. He said "that's (early May) more than enough time."

The bill, or at least an interim substitute, must be enacted by July 1 for the state to be able to pay its bills.

Both chambers held routine floor sessions Tuesday, with the House sending the Senate 93-0 a bill providing tax credits for the installation of solar heating systems in homes.

Nixon Still Seeking Control Of Tapes

WASHINGTON (AP) — Richard M. Nixon's lawyers are preparing to tell the Supreme Court that the former president should control White House tapes and millions of pages of documents that record the actions of his administration.

After hearing arguments today from lawyers for Nixon and for the government, the court will decide sometime before its current term ends in June who owns the nearly 900 reels of tape and 42 million pages of documents.

A three-judge federal court in Washington ruled against Nixon, deciding that the Presidential Materials and Recordings Preservation Act passed by Congress in 1974 gave the government's General Services Administration control of the records.

The act opens for public access all the presidential material, subject to GSA regulations. Those regulations have not yet been set.

Former President Gerald R. Ford signed the preservation act into law on December 19, 1974, and Nixon filed suit the next day seeking to have it declared unconstitutional.

Nixon argued that his right to privacy and the powers of the presidency were endangered by such legislation.

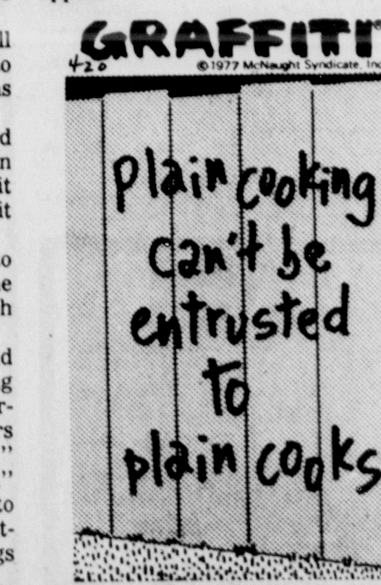

In their appeal, Nixon's lawyers said the Supreme Court's eventual ruling will "have a major impact upon further legislation governing the papers of other constitutional officeholders."

The lower court found it "doubtful" that a former president is entitled to claim executive privilege in an attempt to protect confidential dealings with past advisers.

It said that, in any event, the act would infringe only slightly on Nixon's confidentiality because government archivists will screen the materials before making portions of it public.

How the court decides Nixon's appeal could have broad application. Nixon has another appeal pending before the high court, challenging a decision of the U.S. Circuit Court of Appeals in Washington that 30 White House tapes played during the Watergate coverup trial can be released to the public.

If the court rules in today's case that Nixon doesn't own the tapes, the justices also may find that the ex-president has no legal standing to try to block their release in the second appeal.

Brewster Slated As Ambassador

NEW HAVEN, Conn. (AP) — President Carter's nominee for ambassador to great Britain says Secretary of State Cyrus R. Vance will probably make him work harder than previous ambassadors.

"Mr. Dulles and Mr. Kissinger had a style of trying to run everything personally," said Kingman Brewster Jr. "I don't think that is Mr. Vance's style."

He was referring to former secretaries of state John Foster Dulles and Henry A. Kissinger.

Brewster, president of Yale University, said that if the Senate, as expected, confirms his nomination, he will leave Yale within two weeks of the May 16 commencement. He would succeed Ambassador Anne Armstrong.

Weather

A southerly flow of warm, moist air continues over the Ohio Valley and brings a threat of rain for the next few days. Weather will be considerably cloudy today and tonight with a high near 80 and a low near 60. Tomorrow, showers and thunderstorms are probable in the afternoon with a high in the upper 70s. There is a 50 per cent chance of rain today, a 30 per cent chance tonight, and a 60 per cent chance tomorrow. The high temperature Tuesday was 81 and the low was 59.

BUILDING FUND GROWS — The Pickaway County Family YMCA Building Fund continues to grow. Jim Kuster, owner of Super Duper Store, presents a check to Harold Hewitt, executive director of the Y, for the building fund. The proposed Y is to be built on Nicholas Drive and will house an indoor swimming pool, gymnasium, offices and multi purpose rooms.

Mayor Authorized To Employ Labor Relations Firm

Circleville City Council Tuesday authorized Mayor Frank Barnhill to employ an agent to represent the city in labor negotiations.

Most of the city employees have applied for membership in the American Federation of State, County and Municipal Employees Union, AF Of L-CIO. A meeting is scheduled 7 p.m. to 10 Thursday at which time council is to notify union officials whether or not it will be recognized as the bargaining agent for city employees.

The ordinance authorizing the professional services of Labor Relations Bureau Inc. indicates council will recognize the union.

The legislation in addition to authorizing the employment of the services, also provided \$5,800 to pay for such professional services. The money will come from the unapropriated monies of the Federal General Revenue Sharing Trust Fund.

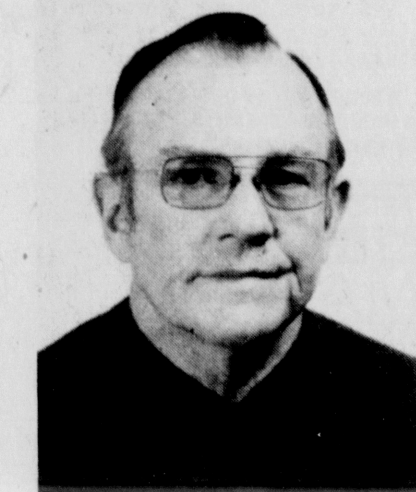

In other action the council set the annual salary of the clerk of Municipal Court at \$7,000, beginning with the first day of January of this year.

In other action council appropriated \$180 from the Income Tax Revenue Fund to the rent account within the fund to pay the increase in the rent for the second half of 1977 for the city income tax office, and \$1,000 from the Federal Revenue Sharing Trust Fund to the gasoline account and instructors and books account of the Circleville Emergency Medical Team.

Mayor Barnhill reminded council that city cleanup week will begin May 2.

Service Director Atwood Jones suggested that city residents may want to begin cleaning up prior to that week to be ready when the service department begins picking up refuse.

Mayor Names Safety Director

JOHN MCGINNIS

John McGinnis, 506 Forest Drive, was appointed Circleville safety director by Mayor Frank Barnhill. The appointment was approved Tuesday by city council.

McGinnis replaces Ed Ebert who resigned effective April 1 as the city's safety director.

A native of Circleville, McGinnis was a city policeman for two years. He retired in 1969 from the Federal Prison System after 23 years of service.

During World War II McGinnis served in the U.S. Army military police and was discharged with the rank of first lieutenant. He is a retired major of the Ohio National Guard.

McGinnis has been associated with the firm of Prindle and Patrick, architects and planners, since 1969.

He said the pickup schedule will be published prior to the week.

The service director said that temporary patching of streets and alleys is continuing since hot mix is still not available. According to Jones, materials for street repair will be more costly this year.

Council members present were David Goldschmidt, David Crawford, Steve Jones, Tom Wells, Dixie Waters, John Jenkins, Harold Hoffman, Joe Bell, council president.

Also present were city solicitor John Adkins, Fire Chief Mike Brown, clerk Robert Shadley, the mayor and the city's new safety director, John McGinnis.

Graduation Followed By Death

VANDALIA, Ohio (AP) — Michael Scammahorn, the youngest of seven children and first in his family to earn a high school diploma, died of cancer Tuesday hours after a special bedside graduation.

Scammahorn, 18, "was just lying there on the bed with his eyes open. He probably didn't realize I was there," said Vandalia-Butler High School teacher Dwight Elkins.

Just in case he might understand, Elkins said a few words of private congratulations in the special ceremony late Monday.

Elkins said he and the school principal arranged the special graduation at the home of the student's mother, Patricia, after learning the young man had just hours to live.

Elkins recalled the student's last day in school in this southwestern Ohio community near Dayton.

"On Feb. 14 Mike sat...with his head down on his desk. I thought he was asleep and chastised him a little, but he said, 'Mr. Elkins, my head is just killing me.' I told him to go to the office and they probably would give him an aspirin, but he said no, he would get over it," Elkins said Tuesday.

On Feb. 18, surgeons discovered a brain tumor and operated. They said Scammahorn had six months to live.

"We never had any problems with Mike," Elkins said. "He would always try to do whatever you asked him to."

The Scammahorns are divorced. The young man lived with his father until he became ill.

He is survived by his parents, five sisters and a brother.

Solar Energy Bill Passes

COLUMBUS, Ohio (AP) — A bill to encourage use of a tax-free, "inflation proof, recession proof, pollution proof, strike proof" source of energy, the sun, is headed for the Senate with overwhelming House support.

The legislation, approved 93-0 Tuesday by the House, offers a property tax break on the real value of a solar space heating system and a sales tax exemption on purchase of the equipment.

Sponsor Sherrod Brown, D-61 Mansfield, listing the obvious advantages to the homeowner, said a solar system was tantamount to "owning your own utility company."

Solar heat is generated by sunwarmed water, stored in large collectors on the roof or sides of buildings.

Systems are expensive to install and must be supplemented by some other power source, usually electricity, to operate appliances.

Tornadoes Hit Nation

By THE ASSOCIATED PRESS
Unstable spring weather brought tornadoes to four central and south-west states, severe thunderstorms to the southern plains and snow to Colorado.

Fourteen tornadoes touched down Tuesday, 11 of them in Texas and one each in Kansas, Louisiana and New Mexico. The thunderstorms were accompanied by high winds, funnel clouds and large hail.

The thunderstorms continued today from the east slope of the lower Rockies across the central and southern plains and into the east portion of the upper plains.

Showers and occasional thunderstorms were scattered from the Mississippi Valley across the Great Lakes, the Ohio and Tennessee valleys through the lower half of the Appalachians to the central Atlantic coast.

Locally heavy and wet snow in the mountains of Colorado brought a travelers advisory today.

Elsewhere fair or partly cloudy skies prevailed. Temperatures around the nation at 2 a.m. EST ranged from 22 at Evanston, Wyo. to 76 at Fort Lauderdale, Fla.

New Home Located For Eagles

APOPKA, Fla. (AP) — When Doris Mager was given two abandoned 7-week-old Bald Eagles to care for, she took to the air to find them a foster nest.

In an airplane, she searched Seminole, Volusia and Brevard Counties for adult eagles with only one or two young birds in the nest and found two prospective foster homes.

The second one was chosen because it offered roomier accommodation — there was just one prospective eaglet sibling at home.

The two orphans — abandoned by their parents last week when a windstorm sent their nest plummeting 60 feet to the ground — are being readied for the move, probably on Friday.

"Mr. Hancock" and "Miss Thorny" have been cared for in a nest made of pine branches from the destroyed nest, mounted atop a five-foot pole behind Mrs. Mager's home here.

"We will have to watch the nest all day to see if the parents reject the eaglets," Mrs. Mager said. "If the adults become aggressive, we will have to remove the young birds from the nest or they will be killed."

The Audubon Society, which pays Mrs. Mager to care for stray birds of prey, wanted to return the birds to the wild. Mrs. Mager said it was critical that they be placed in a foster nest before they could fly — which would be in about a week.

"If they become too flighty before we place them in a foster nest, there is a good chance they will fall out and be unable to return," she said.

The eaglets must remain in the nest with adult birds for four to eight weeks in order to learn survival skills.

Markets

NEW YORK (AP) —The stock market edged upward today with a lift from a favorable report on economic growth in the first three months of the year.

The Dow Jones average of 30 industrial stocks rose a fraction in the early going, and gainers took a slight lead over losers among New York Stock Exchange-listed issues.

At the opening the government reported that the Gross National Product grew at a 5.2 per cent annual rate in the first quarter, after adjustment for inflation and seasonal factors.

That marked a sharp increase from the 2.6 per cent rate reported for the fourth quarter of last year.

Analysts said the response to the news was muted, however, by continuing caution over the energy situation. President Carter is due to make his energy proposals in a speech to Congress tonight.

Today's early prices included Bandag, steady at 15 1/4; Exxon, down 1/4 at 52, and Eastman Kodak, unchanged at 69 1/4.

On Tuesday the Dow Jones industrial average slipped 3.99 to 938.77 after a 5-point drop Monday.

Losers outnumbered gainers by a little less than a 4-3 spread on the NYSE.

Big Board volume was a moderate 19.51 million shares, up from 17.83 million on Monday.

The NYSE's composite index dropped .20 to 54.50.

On the American Stock Exchange, the market value index gave up .09 to 112.40.

Child Hospitalized After Accident

The Circleville Police Department investigated an injury accident involving a car and a pedestrian Tuesday at 4:33 p.m. on E. Mill St. near the Abernathy Ave. intersection.

According to the report and the statement of an eyewitness, Norma J. Rutherford, 31, Williamsport, was westbound on E. Mill St. in her auto, when Franklin L. Hedges, 8, of 420 E. Mill St., ran at the rear end of the car and grabbed the bumper. Ms. Rutherford continued on, not knowing

the incident had taken place.

Hedges was dragged approximately 30 feet before the car came to a stop.

Hedges was taken to the Berger Hospital Emergency Room by the Circleville Emergency Medical Services. From Berger, the child was transferred to Children's Hospital in Columbus. There he is undergoing treatment for a concussion, according to hospital authorities. When asked the youngster's condition, the Herald was told he is "doing fine."

Foreign Minister Faces Death Threat

SAN SALVADOR, El Salvador (AP) — Leftists have threatened to kill Foreign Minister Mauricio Boronovo unless the government releases 36 political prisoners and flies them out of the country.

Police and government officials would not comment on the demand and refused to confirm or deny that Boronovo had been kidnapped. Diplomatic sources said he disappeared Tuesday, and two statements signed by the Farabundo Marti Popular Liberation Front said that underground group was holding him captive.

Boronovo's private secretary said she talked with him by telephone Tuesday morning and he said he was going to a meeting. "I haven't heard from him since," she said.

Boronovo, 37, is a 1961 engineering graduate of the Massachusetts Institute of Technology. A member of one of the country's most prominent families, he heads a steel firm and is a coffee exporter.

The Marti Front is named for a peasant leader assassinated during a 1942 peasant uprising that was quashed by dictator Maximiliano Hernandez Martinez.

Student leaders, doctors and a labor leader were among the 36 prisoners whose freedom was demanded. Half of them are members of the Marti Front, informed sources said.

One communique from the front demanded that the prisoners be sent to Mexico, Venezuela, Cuba or Costa Rica and that no police accompany them. The other communique said the kidnapping was "an armed operation within the framework of prolonged revolution" against the 10-year-old regime of the right-wing National

Conciliation party.

However, informed sources said those on the list were not linked to the demonstrations in February charging massive vote frauds in the presidential election in which Defense Minister Carlos Humberto Romero defeated Col. Ernesto Claramount Rozeville. The government declared a state of siege, and five persons were killed and 78 injured when riot police drove the demonstrators from El Salvador's main square.

Small Surplus By Postal Service Noted

MIAMI BEACH (AP) — It probably will be next spring before we have to lick 16-cent stamps to send first class letters. The delayed postal increase is due to a surprising \$45.5 million operating surplus for the U.S. Postal Service.

Postmaster General Benjamin Bailar said the surplus came from a decrease — through attrition — in the number of postal employees, down from 740,000 to 653,000 during the past two years.

The surplus for the six months ending March 31 compares to a \$1 billion deficit during the previous fiscal year. Postal authorities were checking records to try to find the last time a surplus existed.

"For the first time since postal reorganization, we have a firm hold on our costs and are successfully managing our resources," Bailar said Tuesday at the National Postal Forum.

"As a result, we have been able to put off the need for rate increases until sometime in the springtime of 1978," he said. At that time, he said, the cost of a first-class letter will probably increase to 16 cents.

"Higher rates — or additional income from some source — will be necessary to meet the costs of wage increases that are built into our national collective bargaining agreement and the continuing impact of inflation on all our operational costs," he said.

Bailar said uneconomic services, such as Saturday deliveries and some rural post offices, must be eliminated while night mail processing may be curtailed.

Man Doubts Oil Data

KENT, Ohio (AP) — J.K. Jamieson, former chairman of Exxon Corp., says President Carter faces a major selling effort in "trying to drive home to the American people his belief that the nation really has an energy crisis."

Jamieson, in an interview Tuesday, also questioned a report attributed to the CIA that world demand for oil would outstrip production in less than 10 years.

He said the CIA report "does not check with our numbers, and I frankly wonder when the CIA became qualified to make assessments of world oil reserves."

"We think it was too gloomy," Jamieson added. "Assuming there is no major political upset in the world, we think that oil supplies will be available and world oil production will still be increasing in 1985."

Elks Bowlers Sponsor Steak Supper

The Circleville BPO Elks bowling league is sponsoring a stag steak supper for Elks and guests 6 to 8 p.m. tonight at the Lodge.

Volunteers For Youth Board Meets

Seven members of the board of trustees of Pickaway County Volunteers for Youth met 4:30 Monday at the Pickaway County YMCA.

Volunteer Coordinator Ramona Edman reported that one girl has been released from probation and one new volunteer has been assigned.

Funding Committee representative Jim Edman reported that the group decided against making any provisions in the budget for funding of special activities or personal needs of probationers.

The board approved Marsha Schneider's recommendation that publicity brochures be printed by Crown Quick Print of Circleville, rather than Insty Prints of Columbus.

Mrs. Edman reported on two meetings she attended which were arranged by George Puchovich, executive director of the Mental Health Clinic, to discuss improving the availability of services to Pickaway County agencies. One possibility suggested was the organization of group programs dealing with problem solving techniques for youth in trouble. Mrs. Edman also notified the board of Juvenile Probation Officer Brent Johnson's resignation effective Friday.

Tom Downing reported that the funding committee will meet June 9 and June 20 with Marsha Davis of Washington Court House to discuss procedures for applying for federal funding.

Board President Diane Berger thanked Tom Fitzgerald and Jim Edman for their preparation of the annual budget report to be presented to the Community Fund.

It was noted that the residential facility for treatment of emotionally disturbed juveniles to be opened in Greenfield will serve Pickaway County, but houses only eight persons at a time.

Deaths

MRS. GOLDIE ETHEL DAVIS

Mrs. Goldie Ethel Davis, 85, of Kingston, died 2 a.m., Tuesday at the Ross County Medical Center, Chillicothe.

Born June 24, 1891, in Logan, Ohio, she was the daughter of George and Stella Gold Evans.

Her husband Otto Russell Davis, predeceased her in 1970.

Survivors include a half sister, Mrs. Paul Affolter, Ri Hondo, Texas; one brother, Ersell L. Evans, of Three Rivers, Texas.

Funeral service will be held 10:30 a.m., Friday, at the Hill Funeral Home, Kingston, with the Rev. James Justice officiating. Burial will be in Mt. Pleasant Cemetery.

Friends may call at the funeral home beginning 3:30 p.m., Thursday.

MRS. ETNA MAY RIFE

Mrs. Etta May Rife, 95, of 7281 Ashville-Fairfield Road, Ashville, died Wednesday morning at her residence.

Born Aug. 7, 1881 at Pickaway County, she was the daughter of William H. and Maryetta Poe Fortner. She was the widow of Marcus Jacob Rife who died in 1939.

She was the oldest member of the East Ringgold M.E. Church and a member of the W.C.T.U.

Survivors include her daughter Mae Rife of Ashville, one son Howard of Ashville; step-daughter Alpha Campbell of Columbus; eight step-grandchildren; 26 great-grandchildren; several nieces and nephews.

Funeral service will be 2 p.m. Friday at the Bastian Funeral Home, Ashville, with the Rev. Fred Ketner officiating. Burial will be at Reber Hill Cemetery.

Friends may call at the funeral home 7-9 p.m. Wednesday and 2-4 and 7-9 p.m. Thursday.

New Citizens

MASTER DOWNS

Mr. and Mrs. Randall Downs, (Linda Morgan), 1705 Shoshoni Drive, are the parents of a 7-pound, 7-ounce son born 1:11 p.m., Tuesday in Berger Hospital.

MASTER REED

Mr. and Mrs. Michael Reed, (Wanda Chaffin), 28674 State Route 159, are the parents of a 9-pound, 10 1/2-ounce son born Saturday in Ross County Medical Center.

SERTOMA SPEAKER — Judge O. Charles Hosterman spoke at the noon meeting of the Circleville Sertoma Club on Tuesday at Wardell's Party Home. The topic of Judge Hosterman's presentation was the statutory and constitutional responsibilities of the Circleville Municipal Court and the general contribution of all court systems in protecting our freedom and form of government so long as they remain independent of other governmental control. Gene Long, program chairman, introduced Judge Hosterman to the members.

Woman, Young Girl Rescued From Creek

A woman, struck by a runaway car, and the four-year-old girl who apparently maneuvered the vehicle out of gear, were pulled from the waters of Darby Creek Tuesday afternoon.

Judy L. Cathel, 30, Route 1, Williamsport, was admitted to Berger Hospital for treatment of leg, back and internal injuries after she was hit by the car 4:17 p.m. Tuesday.

The youngster, Brandy Ann Byrd, was not hurt, according to Deputy Sheriff Danny Dewey.

According to the report, Ms. Cathel was sitting on the east bank of Darby Creek south of the Route 316 bridge while her friends were fishing.

Young Brandy apparently climbed into the 1966 Oldsmobile on loan to Mrs. Cathel from Phyllis O'Conner, Washington C. H., and moved the shift lever from park to neutral.

Glenn Byrd, Brandy's father, shouted a warning to Ms. Cathel that

the car was rolling towards her. However, as she turned to look for the car, it struck her and knocked her into the creek.

Kallous Certain, 18, Williamsport, dove into seven feet of water to rescue Ms. Cathel, who was given emergency treatment by the Scioto Twp. Emergency Squad.

Byrd, meanwhile, dove into the water to free Brandy from the car.

According to Deputy Dewey, Roger Gartin, 17, Route 1, Williamsport, and George A. Williams, 17, Matville volunteered to man a boat owned by Kenneth Bucy, Route 1 Williamsport, to assist with the removal of the car from the creek.

The roof of the vehicle was covered with about a foot of water, Deputy Dewey said.

Deputies Probe Theft Reports

Pickaway County Sheriff's Deputies are investigating the theft of empty soft drink bottles, a spool of barbed wire, and a bicycle.

William Eddings, 1185 Columbus St., Harrisburg, told Deputy Jim Bingham that thieves broke into a roadside grocery to take 20 cases of 16-ounce soft drink bottles, and two cartons of 32-ounce bottles.

The empty bottles were valued by Eddings at \$113.50.

A spool of barbed wire fence owned by James Musselman, 12233 Ballah Road, Orient, was taken from farm land on the Darby Creek Road.

The wire is valued at \$15.

Linda Ferrin, 4800 Duval Road, told deputies that thieves took a 20-inch girl's bicycle and a 10-foot swimming pool from her mobile home.

Mainly About People

Tammy Brown, 305 Lewis Road, is currently a patient in room 405 Childrens Hospital, Columbus.

Mrs. Eleanor Huffer, Route 1, Stoutsville, has been dismissed from Doctor's North Hospital, Columbus.

Julie Reichelderfer, daughter of Mr. and Mrs. Carl Reichelderfer, 2060 Souix Drive, has been dismissed from Mt. Carmel Hospital, Columbus.

Mrs. Rance Greeno, Stoutsville, is currently a surgical patient in University Hospital, Columbus.

Cheryl Wagner, Laurelville, is a patient in room 985 University Hospital, Columbus.

Williamsport News

By EILEEN EASTERDAY, Phone 986-3481

The list of contributors grows larger each day and it is hoped by those deeply interested in acquiring the former Williamsport school grounds for use as a community center that it will keep on growing.

A \$20,000 purchase price established by the Westfall Board of Education is to be raised by May 1 if the combined efforts of all concerned is to be a reality. The offer for purchase was accepted by Williamsport village council and the Deercreek township trustees after a tremendous interest was shown by citizens of the entire area.

This interest has been shown in the generous donations made toward the cause. Following is a list of contributors up to April 12.

Hazel Galloway, Deercreek Auto Parts, Cecil Galloway, C.K. McFarland and Sons, Charles Galloway, John Cook, Gil Conley, George Hamman, Glen and Nell Ater, Nell Ater, Wilma Jean Chew, Mrs. Walter Lewis and Beverly, Martha Tipton Hicks, Esta Tipton, John and Norma Jean Drummond, Dorsey Bumgarner, Mary Alice Luellen Harness.

The Dairy Shed, Williamsport United Methodist Women, Mr. and Mrs. James Matthews, Sorosis Club, Robert Shaeffer, Gertrude Schleich, Evelyn Kaiser, Angie List, Pat Clark, Helen McDill, Russell McDill, Viola Myers, Child Study League, Amy Easterday, Deercreek Dam Days, Mt. Pleasant United Methodist Women, Mark Schein, Mr. and Mrs. William Hoffman, Circle D Recreation, Mr. and Mrs. Carl Schein, Mr. and Mrs. Walter Wright, American Legion Auxiliary, Post 618 American Legion, Twila West, Williamsport United Methodist Church, L. Robert Liston, Don Strous, Mr. and Mrs. Paul Schein, Mary L. Gearheart, Mrs. Beatrice Anderson, Mr. and Mrs. Charles Rose, G. W. Reynolds Ins., Bernice Hulse, Mr. and Mrs. Harmon Lemming, Margaret Remy, Mrs. Jack Mitchell, Dorothy Schleich Albright, James R. Hamman, Mr. and Mrs. G.P. Akers, Mildred L. Needham, Ladies Aid Christian Church, Mr. and Mrs. Clyde Bidwell, Mrs. Alice Tipton Seeds, Madelyn Howard Bendure, Mrs. Jack Clifton, Mr. and Mrs. Robert O. Barnes, Barnes Farms Inc., Barnes Farm Drainage, Mr. and Mrs. Earl Metzger, Mr. and Mrs. Glenn Pitt, Mr. and Mrs. Wilson Puckett, Anna and Sheryl Cox, Mrs. Harry Dixon, Mr. and Mrs. Francis Snyder, Ullman's Flowers, Esther Wardell, Ruth E. Ater, Mr. and Mrs. Don McDill, Mary Luellen, Mrs. Forrest Short, Mrs. Charles Holland, Mr. and Mrs. Herb Johnson, Mr. and Mrs. Ellwyn Hulse, Mr. and Mrs. Eric Rickabaugh, Kevin and Lori Hulse, Agnes M. Nicholson, Metzger Insurance, Curtis Keller, Jason Yates.

Betty Jean Cox, Mr. and Mrs. Archie Rawlinson, Nola Trego, Sylvia Wilkey, Mr. and Mrs. Marc Easterday, Mr. and Mrs. Jim Lowry, Monica Easterday, Harvey Looney, Jamey Looney, Whitesed Greenhouse, Mr. and Mrs. Paul Whitesed, Mr. and Mrs. Ron Beatty, Mr. and Mrs. Joseph Goeller, Randy Long, Karl Morrison, Harvey Jordan and family, Frank Smith and family, Mr. and Mrs. Carl Long, Augusta Williams, Ruth Hooks, Mr. and Mrs. Donald Schleich and family, Mr. and Mrs. William Kiser, Mr. and Mrs. Lawrence Sullenberger, Mr. and Mrs. Robert Mills and family, June West, Mr. and Mrs. Eugene Bush, Mr. and Mrs. Ronald Bush, Jim Montgomery, Tim Bush, Mike Bush, Mr. and Mrs. Charles Lawson, Huff's Garage, Kwan Chow Do Karate Club, George Lemaster, Mr. and Mrs. Ralph Coleman, Stephanie Snyder, Jeff Snyder, Mr. and Mrs. Robert Smith, Mr. and Mrs. Bill Kirby, Mrs. Della Lemming, The Loy Coleman family, Vonnice, Vanessa and Matt Coleman, Mr. and Mrs. Wilson Puckett, Mr. and Mrs. Bruce Weaver, Mr. and Mrs. Beaman Speakman, Mr. and Mrs. Earl Anderson, Paul Anderson, Mr. and Mrs. Ray Horsch, Jr., Sheri Horsch, Ken Horsch, Mrs. Grace Whitten, Jack Lindsay and sons, Mr. and Mrs. John W. Ater, Mr. and Mrs. Glenn Whitten, Mr. and Mrs. Eddie Ater, Mr. and Mrs. Donald Metzler, Shara Lee Valentine, Mr. and Mrs. Dallas Valentine, Bob Conrad, David B. Metzger, Mr. and Mrs. Carl Steinhauer Sr., Mr. and Mrs. John Corcoran, Mr. and Mrs. Larry Graham, Mr. and Mrs. Don Clark, Deercreek Busy Bees 4-H Club, Lewis Cook, Sr., Mary E. White, Mrs. Carrie Crile, Miss Dorothy Renick, Mr. and Mrs. Howard Nessel, Mr. and Mrs. Herbert Christopher, Mr. and Mrs. Donald Steinhauer, Mr. and Mrs. Harry E. Rector, Mr. and Mrs. Tom Carter, Mr. and Mrs. Lonzie Rigsby, Mr. and Mrs. Clarence Gilmore, Mr. and Mrs. Frank Schleich, Mr. and Mrs. Cecil Recob, First National Bank, Phoebe Smiley, Ruth Shippe, Rosemary McCalla, Sue Willis, Gordon Rihl, Marvene Rihl, Mrs. Margaret Hargis, Dorothy B. Johnson, Mrs. Charles Pavey, Mr. and Mrs. Harry Kern, Deercreek Garden Club, Marcus E. Ebenhack, William E. Hall, Matilda Hall Thompson, Bessie Miller, Mr. and Mrs. Charles Picklesimer, Mike Stauffer, Dave and Janet Stauffer Lovett, Mr. and Mrs. Bill Rowland, Tammy Christopher, William Coleman, Paul Wallace,

Harold and Alice Gibson, Nellie Rhoades, Williamsport Jaycettes, Williamsport Jaycees, Neil Moore, Everett Moore, Mr. and Mrs. Lovell Hammond, Jerry Moore, Mr. and Mrs. Donald Kempton, Mr. and Mrs. Steven Fullen, Mr. and Mrs. Rick Pond, Mr. and Mrs. Jerry Wilt, Geneva Eisnagle, Mr. and Mrs. Michael Tarbill, Gary Richardson, Mr. and Mrs. Jack Betts, Mr. and Mrs. John Moss, Mr. and Mrs. Harold Fry, Mr. and Mrs. Jim Mowery, Mr. and Mrs. Roger Hamilton, Jay Kaiser, Jeff Kaiser, Mr. and Mrs. Harvey Easter, Carl and Virginia Whaley, Mr. and Mrs. J. W. Brown, Donald R. Lintner, Merrill Carmean, Dorothy Phelps, Mr. and Mrs. Larry Howell, Sean R. Selby, Deercreek Auto Parts, Mr. and Mrs. Joe Carle, Mr. and Mrs. Elliott Hawkes, Marjorie Rose, Mr. and Mrs. Howard Brust, Marie, Dena, Brenda Galloway, Dr. and Mrs. Paul Fenstermaker and family, Mr. and Mrs. Sheldon Winner, Mr. and Mrs. Paul Ewing, Mr. and Mrs. John G. Hurd, Robert Cornwell, Mr. and Mrs. Kenny Gosney, Mr. and Mrs. Rodney Betts, Lana D. Keller, Mr. and Mrs. Norman Leist, Joan Conrad, Mr. and Mrs. William A. Keller, Mr. and Mrs. Herschel Litter, Mr. Owen Ragland, Mr. and Mrs. John Wickline, Harry Young, Cora Young, Glenn R. Wintermute, Marcella Hildenbrand, Randy Metzger, Mr. and Mrs. Cooke Metzger, Angie List, George Donohew, Wayne and Janet Wright, Ted Dollison family, Darrell and Glenna Wisecup, The David Drummond family, Winfred Bidwell, Julie Walker, David Walker, Sue Walker, Bill Walker, Alfred Johnson, Robert and Joanna Kister, Hazel Clark, W. J. Weaver and Sons, Mrs. Mary Walton, Mr. and Mrs. Rick Hanley and Tracy, Mr. and Mrs.

Dan Noble, Harold Vorhees, Ernil Stonerock, Winona Stonerock Ramsey, Estella B. Johnson, William B. Johnson, Lucy Miner Fissell and Debra Fissell Buchanan, Mr. and Mrs. E.W. Rinehart, Hershel Long, Virginia R. Wright, Kenneth L. Wright, Margie E. Carmean, Dale L. Smith, L.V. Ebenhack, Mary Ellen Miller, Gary and Joan Williams, The Atlanta Grain Company, Becki Easterday, Eileen Easterday.

A number of contributions have been given in memorial and these are: Margaret Anderson, Grace Schein, Warren Straley, Marie Dunlap (by UMW), Mr. and Mrs. Luther Anderson, Galen Carter, Crissie Wing, Hannah Schein, Lester L. List, Harry Timmons, Rezin and Ann Bonner Wolfe, Russell Howard, Orville Manly, Earl Baker, Fred Wing, Minnie Grice, Maude Rihl, J. Brance Johnson, John Puffinbarger, Ida Ware, Roy and Dorothy Wright, Charles Higman, Lorin Lingo, Charles Wesley and Alice Steely Schleich, Louis Wheat, Homer and Ursil Henson, W.D. Heiskell, Ruth Keller, Benjamin M. Radcliff, Laverna Baker Radcliff, Mary A. Radcliff, Marian Hitler Radcliff, Edith and Dudley McDill, Harry W. Heffner, Walter Lewis and Eva Lewis Knoblaugh, Mr. and Mrs. Harry West, Mr. and Mrs. Lemuel Dewey, Florence M. and Wilbur B. Alkire, Bud Bowser, Ted Corcoran, George W. Hamman, C.F. Puffinbarger, Frank and Laura D. Alkire, Jessie Tootle, Eugene D. Alkire, Benjamin F. Alkire, John P. Bennett, Tommy Goss Huffines, W. Emmett Gibson, Chester B. Myers, Kenneth List, Russell Wardell, Franklin Sollars, Kervin Morrison, William E. Schleich, Bessie J. Sampson, Schleich Andrews, Fred L. Tipton, Thomas C. Tipton, Glenn Whitten Sr., Loring Allen Sr., Fred C. Betts.

In many instances memorial donations were made a number of times in tribute to the same person but we have listed the name just one time.

A donation was made in honor of Naomi Wing by Judy Wing Lewis and several shares of the square were purchased by donors who requested to be anonymous for reasons of their own.

The Community Square project is a glowing example of what can be accomplished with a united effort, determination and plenty of hard work. The committee is awaiting reports from the Jaycees Consignment sale in order to determine just where the fund stands.

Anyone wishing to donate is urged to do so by writing Community Square, Box 92, Williamsport 43164 or phone 986-3481 or 986-6472.

House-Hunting Can Be Enjoyable

Some potential home buyers put house-hunting in the same category as a trip to the dentist: It must be done, but they know they're not going to enjoy it.

This is the observation of Sue Spires, president of the Pickaway County Board of Realtors who announced the Realtors have joined with local home owners in the observance of Private Property Week, April 17-23.

While a visit to the dentist is rarely enjoyable, house-hunting often is, especially when you can be certain about what you're hunting for.

A good early step would be to contact a member of the Pickaway County Board of Realtors. There are a number of other things the potential home buyer can do to move easily, and happily, from house-hunter to home owner.

Following are a number of ideas offered by members of the Pickaway County Board as part of their contribution to the observance of Private Property Week.

Do your homework. Family members should analyze their wants and interests. Should the home be a new or existing one? Traditional or modern? How many bedrooms and baths? How about location? Should it be near a school or shopping areas? Should the neighborhood be quiet and conventional or busy and informal?

Know what you can afford. In today's economy, the home should cost about two times the family's annual gross income. Monthly mortgage payments should not exceed 25 percent of the monthly income. These guides are not fixed; they are changed by a family's other obligations.

Check all your assets for down payment money: savings, investments, insurance loan value and others. And, together with your Realtor, explore all sources for mortgage money at the most reasonable interest rate.

Be realistic. Be willing to compromise between your "dream house" and the home you can afford.

Remember, the larger the down payment, the lower the monthly payment. Since a lower monthly down

payment might enable the buyer to qualify for "more home," that compromise about your dream house could turn out to be only a small one.

Thoroughly inspect the homes you are shown. Your Realtor will see that you have enough time for an unhurried inspection. Accompanying you in the process, he or she will also call your attention to improvements and advantages you might overlook.

Don't hesitate to ask your Realtor questions about the home, surrounding land, neighborhood, property taxes, or anything else about the home.

No question is 'foolish' if it involves

the largest single investment a family will make in a lifetime.

Following these basic tips will help to eliminate the confusion, wheel spinning, and disappointment that sometimes occurs for families that plod ahead without advance planning or consultation with a Realtor.

But the greatest joy is still ahead: Living in your home, building equity each time you make a mortgage payment. Owning a home is an investment in your family's happiness, and there's no better investment anywhere.

Dear Abby:

By Abigail Van Buren

Ignorance Not Always Bliss

DEAR ABBY: Someone wrote to you saying that ignorance was bliss, and you replied, "No one said ignorance was bliss. The quotation to which you refer is: 'If ignorance is bliss, 'tis folly to be wise.'"

Abby, if you attempt to correct someone's misquotation, be sure to get it right yourself. It is "WHERE ignorance is bliss . . . etc."

Yours, for more careful writing.

J.M.L.: CHEVY CHASE, MD.
DEAR J.M.L.: I was indeed blissful until you pointed out WHERE my own ignorance lies. I'll take no whacks with "THE CAREFUL WRITER" by Ted Bernstein, a most valuable book that has been on my desk 10 years.

Mexicans To Kick Out Drug Users

MEXICO CITY (AP) — A foreigner caught with a small amount of drugs for personal use will probably wind up on a plane home instead of in jail, the attorney general's office says.

But this policy of leniency now being tested does not apply to persons transporting sizable quantities of drugs through the country for sale back home.

The government began trying out the new approach early this month. It says a number of persons have been turned over to their embassies to be sent out of the country.

At least 15 of them were Americans, the U.S. Embassy reported. Vice Consul Ruth McLindon said they were caught with marijuana, peyote or pills, not with cocaine or heroin.

"There is no point in arresting and jailing someone who is an addict," a spokesman for the attorney general's office said. "Possession of drugs for personal use is not a crime in Mexico."

"Drug trafficking is a crime," he continued, and persons arrested or sentenced on more serious drug charges will not be released. "In their cases, the regular process will continue."

However, Miss McLindon said, "the Mexicans indicated to us that cases involving very small amounts of heroin or cocaine might be reviewed on a case-by-case basis."

The spokesman said the attorney general has not decided what amount of drugs constitutes a permissible "minimal amount" for personal use. He also said he did not know when the policy would become permanent.

About 600 Americans are in Mexican prisons, most of them for trying to smuggle sizable quantities of drugs through the country to the United States.

Hutchison 'Resigns' USDA Post

WASHINGTON (AP) — James L. Hutchinson, the Agriculture Department's general sales manager in charge of farm exports, has resigned at the request of Carter administration officials.

The job is classified as a political assignment and pays \$46,423 a year. "They said that I could submit a resignation" instead of being fired outright, Hutchinson said Monday. "It wasn't any surprise to me, really."

Hutchinson said he submitted his letter of resignation on April 11 and will have until May 21 to wind up his USDA job.

He said he has no plans at this time but added, "I've had enough of government."

Hutchinson got the job in August 1974 as a "schedule C" political appointee in the Ford administration.

However, Hutchinson said he is a registered Democrat and for years worked in "non-political" jobs to help develop foreign markets for American farmers.

A native of LaCrosse, Wash., Hutchinson began work in 1967 for the Oregon Wheat Growers League and in 1968 was put in charge of market development in the Far East for Western Wheat Associates in Tokyo.

CONSERVATION AIDE — Randy T. Young has recently accepted the position of Conservation Aide with the Pickaway Soil and Water Conservation District. He graduated from Circleville High School in 1973, and received an Associate Degree, Applied Sciences, in Natural Resources from Hocking Technical College in 1976. He is married to the former P.J. Crist and they reside in Hocking County.

Needy Families To Receive Cash

INDIANAPOLIS (AP) — The most needy families in Indiana would receive \$25 more per month in welfare benefits under an agreement by legislative conferees on the budget.

The committee also agreed Monday to reduce the number of services covered by Medicaid and to convert the maximum security unit at Norman Beatty State Hospital into a prison facility.

The proposals are subject to approval by Republican and Democratic caucuses in the House and Senate.

The welfare proposal also called for continuing the 10 per cent ratable reduction used to eliminate upper income needy from welfare rolls.

Public Hearings Set On Air Rules

COLUMBUS, Ohio (AP) — Public hearings are to be held April 20-22 to develop programs for four state agencies for controlling air pollution, according to the Ohio Environmental Protection Agency.

The conferences follow notices of violations served to the Departments of Mental Health and Mental Retardation, Rehabilitation and Corrections, the Youth Commission and the Board of Regents.

The conferences, at which schedules for compliance will be developed, will be conducted by federal Environmental Protection Agency officials. The Northwest Ohio Lung Association asked the U.S. EPA to serve formal notice of violation to the agencies.

Road Center Backers Optimistic

COLUMBUS, Ohio (AP) — The Ohio Transportation Research Center, a child of the 60s that has fallen short of expectations in this decade, operated in the red again in 1976, but its champions remain doggedly optimistic.

Roger F. Dreyer, chairman of TRC, said in the center's annual report that growth was seen when "increasing sales revenues produced a month-end operating profit two consecutive months in a row in the fourth quarter."

The 8,100-acre facility in rural Union County was conceived in 1965 under

Gov. James A. Rhodes first administration. Land purchases began the next year and in 1968 voters approved a bond issue to guarantee financing of the facility, near Marysville.

But since Sept. 19, 1972, when TRC got its first customer, a Dayton auto parts manufacturer, most of the publicity about the center has focused on its dismal financial picture.

Last year was no different, at least in so far as the TRC's financial state was concerned.

The center took in \$744,140 in

revenue but ran up direct, general and administrative expenses of \$1.42 million, for a \$685,000 deficit. That was \$254,116 less than TRC lost the year before, Dreyer noted.

But after the mark off for depreciation of the facility, the 1976 loss was pegged at \$1.5 million.

The center was funded with an initial legislative appropriation of \$30 million in 1969 and has received \$1.86 million from the General Assembly in supplemental appropriations since then. It had \$974,000 on deposit with the state at the close of last year, according to a private audit.

The center came under fire late last year when state Auditor Thomas E. Ferguson called it an "albatross" that should be stripped of its semi-independent status and put under control of the Ohio Department of Transportation.

Ferguson said TRC showed an operating loss of \$20 million over the last five years, and suggested that the legislature cut off further funding.

"Ridiculous," replied Dreyer.

He said Ferguson had included in his report on the center "many things we consider an investment, not an operating loss." The TRC, Dreyer maintained, has been victimized by a general "economic downturn."

In 1975, Gov. Rhodes' own Cost Control Council said the center should be sold.

One key to the future could be the delayed Federal Motor Vehicle Compliance Test Facility, a \$13.5 million operation promised to the center in 1971. It has been in and out of federal budgets several times since then, and Sen. John Glenn, D-Ohio, and Rep. Clarence Brown, R-Ohio, plan to make another effort for funding this year, Dreyer said.

High heating bills this winter?

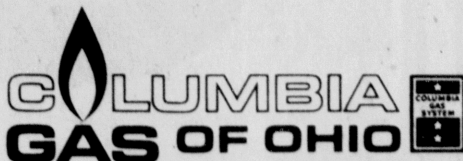

Columbia has a plan to help you!

Record-breaking cold weather and higher rates have forced heating bills to all-time highs. To help its customers through this critical time, Columbia Gas offers a special payment plan for people who received a turn-off notice.

This program is set up for each customer's special needs. With it, you can spread a particularly high bill over several months and pay the monthly balance along with your regular monthly bill.

If you received a turn-off notice, contact Columbia Gas now. We will arrange a plan to help you.

The plan costs you nothing extra—you pay only for the gas you use.

The above message is in accordance with the order of the Ohio Public Utilities Commission.

SPRING LUNCHEON — Circleville Child Conservation League held their annual Spring Luncheon, April 5, at Shawnee Vineyard. Shown left is Mrs. Roderick Allen,

program chairman, Mrs. Brenda Johnson, guest speaker, who presented a program on Graphology, and Mrs. Roger Bennington, president.

Awards Won By Local Club At Legislation Day

SEWING WINNERS — At the Legislation Day held recently members of the Saltcreek Town and Country Club won several honors, pictured left Tammy Ross, who won first place, and will represent the district at the state convention, and Mrs. Beverly Gillum a third place winner in the club women's division.

Members of the Saltcreek Town and Country Club recently attended the Central Ohio River District Federation of Women's Club Legislation Day held at Oak Hill, Ohio, and won several honors.

Tammy Ross, a Logan Elm High School student, and daughter of Mr. and Mrs. Wilson R. Ross, Laurelville, was sponsored by the club in the sewing contest. She won first place with her outfit and will represent the district at the State Convention to be held

April 25-27 in Dayton, Ohio. In the club women's division, Mrs. Beverly Gillum, Route 4, Circleville, won third place for her outfit. Representing the club in the student essay contest was Stephen Winner, son of Mr. and Mrs. Elmer Winner, Stouts-ville Pike. His essay won a third place.

First Baptist Women Meet

Women of the First Baptist Church held their April meeting recently at the church.

The meeting was opened by prayer given by Mable Green and Pauline Bryant.

The annual prayer breakfast is being planned for July, and will be held at Hargus Lake. Mable Green and Pam Strous will serve as co-chairman of the event.

The mission action committee has been busy making lap blankets for use in rest homes.

The women are currently saving Buckeye Stamps. The stamps will be used to purchase kitchen equipment. Carla Miller conducted the program.

Following the closing prayer, a salad luncheon was served. The next meeting will be at 9:30 a.m., May 10, at the church.

The Circleville Herald, Wednesday April 20, 1977

Derby Garden Club Has Lawn Care Program

Mr. Hartle Lucks, advisory consultant for Chem Lawn Corp., Columbus, spoke on the care of lawns and showed slides on the steps in care, establishing and maintenance of lawns at the April 11 meeting of the Derby Garden Club.

During the business meeting the Therapy Committee reported on completion of their project.

Club members will go to White Cottage, at Orient State Institute, to work on potting plants in wooden stick boxes with 10 residents.

The garden club will hold their annual plant sale May 6-7 at the Derby Garden Center. Mrs. Lahoma McCoy is the chairman, and assisting her will be Mrs. Kitty Barthan, Mrs. Beulah Ashcraft and Mrs. Ruth Fields.

Announcements include the Fairfield Heritage tour, April 30 and May 1, and the Spring Region 9 meeting May 4, at Christ Methodist Church, Portsmouth.

Members are reminded to call club president Mrs. Lois Ruoff, about their prepaid registration by April 22. Clinics on yearbooks and horticulture will be held during the morning. Mrs. Allen Grossman, OAGC Judge, will give the afternoon program.

Friday Bridge Winners Announced

The semi-monthly Friday afternoon game of the Circleville Duplicate Bridge Club was held at the Pickaway County YMCA, on April 15.

Winners of the four table game were: 1. Virginia McKinley and Leila Parker. 2. Goneril Adams and Marie Steinkolk. 3. Frances Turner and Eloise Walker.

Plans were made for a Championship game on May 6 at 12:30 p.m., at the YMCA.

Refreshments will be served. Gloria Sayre will be in charge of hospitality.

DR. JANE WELTON

Lillian Doherty Lecture Scheduled

The American Association of University Women will hold their annual Lillian Doherty Lecture, 8 p.m., April 26, at the Nicholas Drive Elementary School.

Dr. Jane Welton will be guest speaker. She will use as her topic 'Creative Thinking.' She is well qualified in this field, as she is on the Association Topic Committee and is chairman of Ohio's Association Committee on Conformity vs. Creativity.

Born in Hagerstown, Maryland, educated at Goucher College and the University of Rochester, Dr. Welton earned her doctorate in Medical Bacteriology and Biochemistry.

Republican Women Have Anniversary

Pickaway County Women's Republican Club, will celebrate their 28th anniversary, with a noon luncheon at the Pickaway Arms.

All members are urged to attend, reservations are not required.

Calendar

Five Points W.C.T.U. Meets

The Five Points W.C.T.U. met April 3 in the basement of the church for their regular meeting.

The President, Mrs. Francis Furniss presided over the meeting and used as her theme, "Decisions For Life." The meeting opened by Mrs. Loring Storr reading scripture followed by meditations and prayer.

There was one guest, Mrs. Evelyn Darst.

The social service report was given and plans were discussed for visiting the rest home.

The next meeting will be held May 11 with Mrs. Loring Storr as hostess.

Kathleen Ann Goulg, Stephen Troehler Wed

MR. AND MRS. STEPHEN ALLEN TROEHLER

Miss Kathleen Ann Gould, daughter of Mr. and Mrs. Frank D. Gould, Timberlake, Ohio, and Mrs. Stephen Allen Troehler, son of Mr. and Mrs. Oscar Troehler, 5613 Tarlton Road, were united in marriage 2 p.m., March 19.

The Rev. Gillis performed the double ring ceremony before the altar of the Shoregate United Methodist Church, Willowick, Ohio.

Organist, Mrs. Keifer, presented a program of nuptial selections.

The bride was given in marriage by

Susan Rush Speaker
For Mt. Pleasant UMW

April meeting of Mt. Pleasant United Methodist Women was held in the home of Marlene Moody with Eleanor Miller as co-hostess.

Special guest for the meeting was Susan Rush, an American Field Service Exchange student from New Zealand. Susan, presented an interesting and informative program with slides and narrative about her native New Zealand.

Eleanor Mowery, vice-president, presided and opened the meeting with prayer. Hazel Carter was in charge of devotions.

Correspondence from the District Treasurer acknowledged receipt of 1977 Pledge and Self-Denial contributions. The UMW made a donation to Easter Seals. UMW Newsletter items of interest were: Cluster Meeting of District Officers at Emmett Chapel Church, Retreat at Lancaster Campgrounds, and Tour of Otterbein Home. Also announced is a special T.V. program to be shown April 25, on Channel 10, "Time to Run."

A birthday luncheon and tour of Circleville Historical Museum was planned for those having birthdays in March and April and guests will be welcome.

Refreshments were served by hostesses during fellowship hour.

Hostesses for May are Maribel Crosby and Eleanor Mowery. Maribel Mace will be in charge of the program for May.

Dresbach UM Women Hold Dinner Meeting

Women of Dresbach United Methodist Church met recently at the church for their April meeting.

A carry-in dinner was served prior to the business meeting.

Mrs. Helen Secreto opened the meeting with a devotional reading. She was accompanied by Mrs. Vesta Bender, at the piano.

Mrs. Carolyn Johnson reported that the bake sale held in Stoutsville was very profitable.

The Mother-Daughter Banquet will be an event of 6 p.m., May 9 in the home of Mrs. Vesta Bender, Lancaster.

Roast duck is delicious served with sauerkraut that has been simmered with onion and apple.

Auxiliary Visits VA Hospital

Unit 134 American Legion Auxiliary visited with the patients of Building 1 Ward C, Veterans Administration Hospital, Chillicothe on Monday evening. They delivered ditty bags, magazines and novels to Voluntary Services for delivery where needed.

Refreshments were served by Mary Stephens, VA&R chairman. She was assisted by Roseann Stinson and Maggie Mavis.

Mid-Ohio District Nurses Association

The Mid-Ohio District Nurses Association will sponsor a meeting at 7:30 p.m., April 27 at the American Red Cross, 995 East Broad Street, Columbus.

The evening's program will be a continuing discussion of the Ohio Nurses Association's Statement on "The Patient's Rights to Nursing Care." Ms. Arlene Thompson, who is on the faculty of the School of Nursing, The Ohio State University, is Chairperson and will lead the discussion.

Nonmembers and Student Nurses are invited to attend.

401 Women Claim Links Of Job, Sex

SAN ANTONIO, Tex. (AP) — Each of 401 working women surveyed here said she suffered sexual harassment on the job, but most said they still would rather have a man for a boss than a woman.

Sixteen per cent of the women said the advances by male co-workers or the boss bothered them so much they quit.

The women were interviewed by Prof. Sandra Carey and students in her social deviancy class last semester at the University of Texas at San Antonio.

"When the Elizabeth Ray story broke, everyone seemed surprised that this sort of thing was going on, but the sociology literature reports it's quite common," Dr. Carey said Monday after the results were tabulated.

Miss Ray's claim last year that Rep. Wayne Hays, D-Ohio, hired her as a secretary merely to have sex with him led to Hays' resignation, although he denied improper conduct.

Although all the women said they had unpleasant experiences with men on the job, 71 per cent still said they

would rather work with and for men than women. The main reason cited was that women tend to be less sympathetic with other women.

Sexual advances mentioned by the women included leering or ogling (mentioned by 36 per cent), hints and verbal pressures (37 per cent) and touching, brushing against, grabbing or pinching (30 per cent).

Male superiors asked 18 per cent of the women away for a weekend, and 6 per cent said they were promised rewards for their other-than-business activities.

The survey found few of the women took any action against the men involved.

"A woman is socialized to be the victim and not to fight," Dr. Carey said. "A few of the women reported incidents to superiors but such reports were often fruitless."

Other survey results: 12 per cent said they found the advances "flattering;" 3 per cent of the women said they were fired for rejecting the advances and 6 per cent were told not to take the advances seriously.

State Will Rent Camping Needs

COLUMBUS, Ohio — If you want to go camping in one of 10 state parks but don't have a tent, cook stove, lantern, dust pan or other gear, don't cancel the trip. The state will rent the equipment you need.

The rent-a-camp program resumes May 13. Units will be available by reservation until Sept. 25.

Novice campers pay \$8 per night and get a tent which sleeps four adults. The tent is equipped with a gas stove, cots, lanterns and other basic camping equipment.

"We have expanded our program to include 10 state parks this year due to the excellent response we have had in previous years," said Ralph Vanzant, chief of the Parks and Recreation Division.

Not only does the department provide the equipment, but it sends along a representative to accompany campers to the campsite, conduct an inventory of the gear and explain how it works.

Parks renting equipment include Blue Rock, Findlay, Grand Lake St. Marys, Kelleys Island, Kiser Lake, Lake Hope, Mount Gilead, Punderson, Stonelick and West Branch.

ALICE CANTER
612-3044

Mr. and Mrs. Ed Weston of Greenville were Sunday guests of her brother-in-law and sister, Mr. and Mrs. Wayne Routt.

Mrs. Florence Davis was admitted to the Medical Center, Sunday afternoon, for X-Rays and examination following a fall in her home a few days earlier. At latest report, there were no broken bones.

Ralph Strausbaugh was quite surprised when his family got together with him at his home for Easter. Present were Mr. and Mrs. Ray Strausbaugh Jr. and children, Mr. and Mrs. Dennis Strausbaugh, Mr. and Mrs. Lindy Strausbaugh and family, Mr. and Mrs. Davis Strausbaugh and family, Mr. and Mrs. Phillip Strausbaugh, Mrs. Phillip Quincel, Tami, Todd and Tony, Mrs. Dorothy M. Strausbaugh, Crystal and Larry and Mr. and Mrs. Berlin Strausbaugh, Mr. and Mrs. Virgil Search.

Thursday evening is the annual Past Master's Night with the oyster supper after, of the Kingston Masonic Chapter.

Mrs. E. W. Freshour and her daughter, Mrs. Paul W. Gearhart returned home Sunday evening from a few days visit with the latter's son-in-law and daughter, Mr. and Mrs. James Boren (Suzanne Gearhart) at their home in Dallas, Texas.

Mrs. Lucille Moore returned home Sunday after spending Easter and the

following week at the home of her daughter, Mrs. Charles Jack and family in Columbus. She also visited her two sisters, Mrs. Margaret Comer and Mrs. Betty Comer.

The monthly meeting of the Isabella Thoburn Circle will be somewhat different this time. The place of meeting has been moved to the Church, United Methodist, and all members are urged to be present and to bring along some cleaning supplies, as a good old fashioned house-cleaning is being planned.

Mrs. Lee Stepp, Mrs. M. E. Proctor and Mr. and Mrs. Don Scales and sons, Jimmy and Robbie of Portsmouth were calling on Mrs. Flora Sims one day last week.

Kenneth Moss was released from University Hospital, Tuesday, where he was a surgical patient.

Mrs. Cecil Bower entertained the ladies of The W.S.C.S., Thursday afternoon at her home on S. Main Street.

In recognition of World Day of Prayer, women in the Bible were honored. They were Rachel and Leah; The Virgin Mary and Martha; Ruth and Esther; Hannah and Sarah; Miriam and Elizabeth. Members who discussed these ladies were Mrs. Bower, Mrs. Velma Lemley, Mrs. Marvin Jones, Miss Gertrude Senff and Mrs. Irene Kerns.

Refreshments were a molded salad, sandwiches, peach cobbler and iced tea.

NOTICE OF PETITION FOR ANNEXATION

BY OWNER OF REAL ESTATE
Notice is hereby given, that there was filed with the Board of County Commissioners of Pickaway County, Ohio, on the 7th day of March, 1977, a petition signed by a majority of the owners of real estate in the hereinafter described territory praying that said territory be annexed to the Village of Commercial Point in the manner provided by law. The territory so sought to be annexed is described as follows:

EXHIBIT "A"
Situating in the Township of Scioto, County of Pickaway, State of Ohio: Known and distinguished by being a part of Survey No. 6829 and 6841 of the Virginia Military Lands, bounded and described as follows:

Beginning at a stone at the southwest corner of this tract, the same, being at the southeast corner of the F inch land and in the north line of R. R. Walker land; thence N. 73 degrees 45' E. 217.2 feet with the line between this land and the Walker and Beach land to an iron pin in the center of the Schooley road; thence N. 14 degrees 20' W. 718.4 feet with the Schooley road to an iron pin in said road, 10 feet south of a small bridge; thence N. 6 degrees 20' W. 902 feet with said road to an iron pin in said road at the northeast corner of this tract; thence S. 75 degrees 38' W. 887 feet with the south line of Wade Jones land to a 3/4 inch pipe; on the east side of a 25 foot drive way; thence S. 63 degrees 51' W. 1501.7 feet to a 3/4 inch pipe in the line between this land and the Finch land; thence S. 16 degrees 30' E. 1443.6 feet with said line to the place of beginning, containing 82.779 acres of land more or less.

There is a 25 foot easement outlet to this tract of land, said easement being located as follows:
Beginning at an iron pin in the center of Route 762 at the northwest corner to the land of Wade Jones; thence S. 15 degrees 23' E. 405 feet to a 3/4 inch pipe in the north line of the above 82.779 acre tract of land; thence S. 63 degrees 51' W. 25 feet with the north line of the above tract of land to a point; thence N. 15 degrees 23' W. 405 feet to a point in the center of Route 762; thence N. 66 degrees 30' E. 25 feet to the place of beginning, containing 10125 square feet of land in the Corporation of Commercial Point.

EXCEPTING THEREFROM the following three tracts of land:
Tract No. 1: Beginning at a pipe at the southeast corner of Delno Steel's lot and Ste. 82.779 acre farm, said pipe being in the west wheel tract of the Schooley or Walker Road; thence S. 75 degrees 38' W. 150 feet with the north line of Hudson farm land and along the lot of Delno Steel's to a one inch pipe; thence S. 5 degrees 37' E. 150 feet to a new one inch pipe; thence N. 75 degrees 37' E. 253.7 feet on a new line to a one inch pipe in the road, passing a one inch pipe at 237 feet in the west road line; thence N. 6 degrees 20' W. 150 feet with a line in the road to the place of beginning, containing 0.905 acres of land more or less. Situated in Scioto Township, Pickaway County, State of Ohio, and in Survey Nos. 6829 and 6841 of the Virginia Military Lands and being a part of a 82.779 acre farm of Orville R. Hudson and Nellie M. Hudson, recorded in Deed Record Vol. 151 page 440, Pickaway County, March 7, 1966. Conveyed by Warranty Deed recorded at Volume 182 page 116, Pickaway County Deed Records.

Tract No. 2: Beginning at a one inch pipe in the center of the Schooley Road at the southeast corner to this tract, said pipe being N. 6 degrees 20' W. 34.6 feet from the center of the concrete bridge on said road; thence N. 6 degrees 20' W. 327.7 feet with the center of said road to a pipe; thence S. 77 degrees 55' W. 256.4 feet to a one inch pipe at the northwest corner of this tract, passing a one inch pipe at 18 feet in the west road line; thence S. 5 degrees 45' E. 327.7 feet with the west line to a corner post; thence N. 78 degrees 35' E. 258.6 feet to the place of beginning, containing 1.95 acres of land more or less. Situated in Scioto Township, Pickaway County, State of Ohio, and in Survey No. 6841 and being a part of a 82.779 acre farm of Orville R. Hudson and Nellie M. Hudson, recorded in Deed Record volume 151 page 440, Pickaway County, March 8, 1966.

Conveyed by Warranty Deed and recorded at Volume 191 page 148, Pickaway County Deed Records.

Tract No. 3: Beginning at a spike in the West side of Walker Rd. No. 138 said spike bears S. 6 degrees 20' E. 441.00 feet from a point where the said Walker Rd. No. 138 intersects State Route 762; thence with the said Walker Rd. S. 6 degrees 20' E. 227.24 ft. to an iron pin; thence S. 78 degrees 25' W. (passing an iron pin at 18.00 ft.) 256.40 ft. to an iron pin; thence N. 5 degrees 42' W. 314.77 ft. to an iron pin; thence N. 75 degrees 30' E. (passing an iron pin at 236.50 ft.) 254.40 ft. to the beginning, containing 1.967 acres.

Conveyed by Warranty Deed recorded at volume 198 page 553 of Pickaway County Deed Records.

Leaving in said tract 78.077 acres be the same more or less.

The undersigned is named in the petition as the agent of the petitioner in accordance with law; and such petition contains a full description and an accurate map of the territory sought to be annexed, and such petition states that there is one (1) owner of real estate in the territory.

The Board of County Commissioners has fixed the 9th day of May, 1977, at 10:00 A.M. as the time for the hearing on the aforesaid petition, the hearing to be held at the Office of the Pickaway County Commissioners, room 5, Court House, Circleville, Ohio.

JOHN H. FARTHING,
AGENT
FOR PETITIONER
March 30, April 6, 13, 20, 1977

Illegal Bite Not Possible

CLEARWATER, Fla. (AP) — An 82-year-old woman, accused of biting a sheriff's deputy when he came to arrest her daughter, says it just wasn't possible. She hadn't put in her false teeth.

"I didn't have a tooth in my head," Ethel Harris said Tuesday. Besides, "I wouldn't get that close to him."

Deputy Peter Strickler had testified that Mrs. Harris cursed at him, stomped his toe, spit on him, threw a half cup of coffee on his suit and bit him on the wrist as he tried to handcuff her last Feb. 8.

He was trying to arrest her daughter for contempt of court.

The 110-pound woman claimed she never laid a hand on him.

"I refrained from striking him," she said, "as much as I would have liked to."

Mrs. Harris' colorful testimony never was heard in court, however. Pinellas County Judge R. Grable Stoutamire dropped the charge, ruling that the state failed to prove the deputy had a legal right to be inside the woman's home.

2 Indiana Men Gain Discharges

INDIANAPOLIS (AP) — Two men who deserted the U.S. Army after receiving orders to go to Vietnam cleared their records Tuesday under President Carter's returning deserters program.

Nils Swenson, 29, and Phillip Gower were processed at Ft. Benjamin Harrison here, received less-than-honorable discharges and said they were returning to their adopted country, Canada.

Swenson and Gower were the first to take advantage of Carter's program. They said many other deserters also were returning merely to clear their records, with no intentions of living in the United States again.

More Cattle Dioxin Tests Made

LANSING, Mich. (AP) — The U.S. Department of Agriculture is testing 300 cows from 19 states to see if they contain a highly toxic chemical that has been found in a Michigan dairy herd.

Tests to detect the presence of dioxins, which are contained in wood preservatives, are being done at Wright State University in Dayton, Ohio.

Dr. Grace Clark, staff officer with the USDA's Residue Evaluation and Planning Staff, said in a telephone interview Tuesday that liver and fat samples have been taken from cows randomly selected at federally inspected slaughterhouses in the 19 states.

"Right now, we're just interested in finding out what's out there," said Dr. Clark. She said the USDA is concerned about "whether or not dioxins are something which are found in dairy cows in general."

Dioxins are a family of chemicals, some of which are present in pentachlorophenol, a widely used wood preservative. Levels of certain dioxins, some considered highly toxic, have been found in a sickly Cedar

Springs, Mich., dairy herd.

The herd has since been killed by the state.

States selected for the study are those with significant dairy industries, Dr. Clark said, although cows chosen for testing will also include beef cattle.

Besides Michigan, states from which samples will be tested are California, Florida, Idaho, Kentucky, Maine, Massachusetts, Minnesota, New Hampshire, New Jersey, New York, Ohio, Oklahoma, Oregon, Pennsylvania, Tennessee, Utah, Washington, Wisconsin.

One type of dioxin, called tetrachlorodibenzo-p-dioxin or TCDD and found in the herbicide 2,4,5-T, is considered the most poisonous.

It is not thought to be present in pentachlorophenol, however, although other toxic varieties have been found. Dioxins are contaminants that occur

during the manufacturing process.

Meanwhile Tuesday, Michigan agriculture officials said they are launching a statewide testing program to see how widespread pentachlorophenol contamination is in the state's dairy industry.

Dr. Charles Cole, chief assistant state veterinarian, said samples from cows in slaughterhouses, from animal feed and from barnwood would be tested for the presence of the preservative, also known as penta or PCP.

A count will also be made on how many Michigan dairy farmers use wood treated with penta, which has been sold for four decades.

Penta has so far been found in eight Michigan dairy herds. Only the Cedar Springs herd has also shown dioxins, but tests continue for dioxins in the fat and livers of the other seven herds.

Campus Notes

Students named to the President's List for the winter quarter at Tri-State University, having achieved a 3.75 grade point average or better, include Thomas E. Meena, 682 Farlawn Drive. A graduate of Circleville High School, he is majoring in accounting.

Pamela D. Kempton of Laurelville was among the students recognized at the 1977 Honors Day program at Madison College on Thursday (April 7). She received the Geology Department Award for the outstanding senior geology major.

More than 1,800 Kent State University students earned places on the dean's list by posting academic averages of 3.4 or better for coursework during the winter quarter.

To be eligible for the list, students must be attending classes on a full-time basis — 15 credit hours or more. Of those named to the list, 416 had academic averages of 4.0 — all A's.

From Williamsport, Vanessa Long, of 20593 Justus Road was among the students on the Dean's list.

Wittenberg University recognized full-time students achieving an academic average of 3.66 or higher during winter term by naming them to the Dean's List, Dr. Richard T. Ortuist, associate dean of the College, announced.

Included among the honored students is Robin C. Martin of 428 Glenmont Court.

A total of 327 students at Ohio Northern University, Ada, Ohio, have been named to the dean's list at the conclusion of the winter quarter for attaining a 3.5 grade point average or better (4.0 system). There were 2,148 students enrolled during the winter quarter in the three undergraduate colleges of liberal arts, engineering and pharmacy.

Mary Lou Horst, a sophomore in business administration and economics is among the honored students.

Explosion Kills

Owner Of Plant

MASON, W.Va. (AP) — An explosion of unknown origin at the Mason Aggregate plant near here Tuesday killed the owner of that plant and injured two employees.

The Mason County Sheriff's Dept. said Claude Fisher, 62, of Clifton, died in the explosion, which apparently occurred inside the plant's kiln. The plant manufactures concrete block.

Deputies said the other two persons sustained only minor injuries when the explosion rocked the kiln. Damage is estimated at \$150,000.

Authorities have speculated that the explosion may have been caused by a natural gas leak. Fisher was apparently inside the kiln at the time of the explosion, but no other details were immediately available.

Derby News

MRS. GEORGIA SWEET, 896-2462

You are invited to attend services each Sunday morning at the Derby United Methodist Church. Our pastor is Reverend Larry Zellers.

The Rev. Zellers entered Wright Patterson's Veterans Hospital at Dayton on Wednesday of last week. We're happy to have him back with us on Sunday.

Words cannot express our sympathy to Mr. and Mrs. John Musselman on the loss of their son the past week. To them we can only say "we care". To his wife, daughter Carol and family, his grandmother Mrs. Ellen Cox and other relatives, we offer our condolences. Johnny was born and raised here and leaves many close friends and neighbors.

Mrs. Josephine Cox was taken to the hospital on Friday by the Harrisburg Emergency Squad from the home of Mr. and Mrs. John Musselman when

Bridge Work Scheduled By State

COLUMBUS, Ohio (AP) — The Department of Transportation is about to launch a \$35 million statewide program to replace or repair damaged bridges, Gov. James A. Rhodes said Tuesday.

The department has tentatively scheduled 81 bridge projects for contract letting through the remainder of the 1977 fiscal year at an estimated cost of \$18,400,000, Rhodes said.

Another 64 repair or replacement projects are slated for construction starting in early 1978 and the following 1979-81 fiscal years. The second group is estimated to cost \$16,600,000.

"Winter damage has added to the already critical problem of bridges with deficiencies in every part of the state," said Rhodes, "so we are gearing up for a major rehabilitation program."

Rhodes said there are indications the federal government will provide additional funds for further bridge work.

"In the meantime," said Rhodes, "we will be working with available funds and going ahead with development of plans so that the projects can move when additional money becomes available."

The 145 bridge projects for which funds are already available are included under the department's five-year Transportation Improvement Program, which is updated annually.

"We want to be sure our priorities and plans are ready when additional financing becomes available," Rhodes said.

The governor said more of the projects will be programmed where they are needed if "Congress authorizes a significant amount of federal funds to the Special Bridge Replacement Program and increases the federal matching share to 90 per cent." He said several prominent lawmakers had indicated the possibility of such congressional action.

Black Seeks Oakland Mayoralty

OAKLAND, Calif. (AP) — A Superior Court judge failed to win a majority in his attempt to become the first black mayor of Oakland and will face a conservative businessman in a runoff election.

Judge Lionel Wilson, who was favored to win, earned the most votes Tuesday in a 10-man race but failed to win the needed 51 per cent majority. He will face Dave Tucker in the May 17 runoff.

In neighboring Berkeley, moderate Democrats fought off a challenge from a radical slate of candidates drawn from the Free Speech Movement of the 1960s. The Democratic group won all four contested city council seats.

Lukewarm voter interest played a key role in both elections, with a turnout of only 46.4 per cent of the registered voters in Oakland and 53.5 per cent in Berkeley.

Campaigning was low-keyed, with little of the overt racial tension that once gripped Oakland or the volatile rhetoric which was the earmark of Berkeley elections in the 1960s.

Ballot initiatives in Berkeley stirred controversy, with measures to establish rent controls and to remove traffic diversions failing to win approval. Both issues had gone before the voters in previous elections.

The final results in Oakland gave Wilson 31,078 votes or 44.1 per cent.

she became very ill. She was at the home of her son Alvin and family for a few days and is now able to be about again.

Mrs. Charles Nance was Saturday overnight and Easter dinner guest of her son and family, Mr. and Mrs. Ralph Nance of Columbus.

On Wednesday April 13, guests of Mrs. Hazel Bruce were brother-in-law Lawrence Barnes and his daughter and family, Mr. and Mrs. Richard Byrd and children.

This is the time of year when the Pickaway County Cancer Society conducts its annual Crusade. This year's chairman for the Derby Township area, Mrs. Judy Walters tells me that around the last week of April volunteers will be calling at your door; please help fight cancer by giving generously.

Brownie Troop No. 149 met on April 6 and enjoyed a lively meeting with a discussion of their family trees, a few foreign languages to say thank you, and various other activities designed to help them earn their Friendmaker badge. The troop enjoyed a craft displayed and designed by their co-leader, Mrs. Sue Fleischmann. She has been a very helpful, well-respected and much appreciated worker for the troop this year. She has driven from Grove City every week to attend and plan the meetings, and has contributed many crafts and other personal touches to the Brownies. Having taught Sunday School and Bible School, she is a natural with children. Unfortunately she will be leaving our school area and going to Monroe next year, where she is forming a Brownie troop now. We will all miss her and daughter Michelle.

On April 29, three well-known professional religious gospel singing groups will appear at the Grove City High School, including the Crusaders. It is sponsored by the Derby Lakers Athletic Committee, and tickets are available from any member. Advanced tickets can be purchased at a reduced rate.

Carter Takes Heat On Energy Problem

WASHINGTON (AP) — The White House is considering a public service advertising campaign to keep hammering President Carter's message on energy: it is a crisis, even though it may not hurt right now.

To the same end, Carter wants a standby system of gasoline tax increases, not because a nickel or dime on the gallon would curb consumption, but as a symbol of determination to handle the problem.

Now Carter is taking to Congress the "unpleasant talk" he already has presented to the nation. Tonight's energy policy address is his first appearance before the House and Senate.

It will take all of that and more to achieve what the President is trying to do, which is to convince Congress and the public to take unpleasant medicine for an ailment which has no painful symptoms.

Phase one of the effort was Monday night's nationally televised address — no fireside chat, but a solemn President, unsmiling and firm, telling Americans things they don't want to hear. Without inconvenience and sacrifice now, he said, the energy problem will get worse every day and the nation will risk a national catastrophe.

Carter and his advisers decided they could not simply go to Congress with

an energy conservation program that will mean higher prices and taxes, not until the President had sounded his alarm to the nation.

Carter always said the president was the one man who could rally the nation to deal with its problems, and exert the leadership to solve them. Now he is trying to do it, and on the most difficult of issues.

It is a crisis without villains to blame, and without a real solution. It can only be eased, not cured.

And it is the most difficult of political issues. Americans are used to driving where they want, when they want, on gasoline that is still a bargain when compared with the prices in other industrialized nations. Their homes are their castles, and now comes Carter to tell them that they're going to have to insulate their castles.

Many, as Carter acknowledged, believe oil companies are holding supplies off the market. In an NBC News poll, 63 per cent of the people surveyed said they considered the wintertime shortage of natural gas to be a hoax to get higher prices from the consumer.

Those suspicions have been fed by the soaring price of energy, sharpest since the crisis produced by the Arab oil embargo of 1973. But that was an old fashioned crisis. There was somebody to blame — the Arabs who turned off the oil. And there was an end in sight, since they were going to turn it back on eventually.

But that isn't the case now. Nor is Carter holding out some simply stated goal like energy independence. Instead, at the price of sacrifice, inconvenience and higher prices, he speaks of averting catastrophe and preserving a decent world for generations to come.

In a way, Carter went around Congress, directly to the voters with his Monday night address. But in doing so, he accepted the political heat for the judgments that will have to be made at the Capitol. And that may make difficult votes ahead easier for the House and Senate.

Ohio Senate Report

By OAKLEY C. COLLINS
17th District Senator

Activity continued at the state house this week despite the fact that the General Assembly was officially in Easter recess. Senate committees continued to hold hearings on matters coming under their jurisdiction and several lawmakers put the finishing touches on bills they plan to introduce next Tuesday when the Senate re-convenes.

The most important of the new bills to be introduced is Senate Bill 222 which deals with collective bargaining for public employees. The bill has some similarities to one introduced last year which was vetoed by Governor Rhodes.

Among the highlights of Senate Bill 222 are: (1) a guarantee of the right of public employees to organize and bargain collectively; (2) a set of guidelines to determine appropriate bargaining units and to provide for exclusive representation; (3) written agreements on grievance procedure, dues check off and allowance for an agency shop; (4) creation of dispute resolution machinery, such as mediation, fact-finding and other methods; (5) a "local option" for safe-

ty workers such as police and fire personnel that allows employers to choose between strikes and binding arbitration to settle contract disputes and (6) a prohibition against unfair labor practices by both public employers and employee organizations.

The bill also calls for creation of a Public Employment Advisory and Counseling Effort (PEACE) Commission to inform citizens of the provisions of the bill in the period between the enactment of the bill and its effective date. The bill is designed to take effect in 1979. Beginning in that year a 5-member State Employment Relations Board would be established and given responsibility for regulating collective bargaining under the provisions of the bill. All five members would be appointed by the (new) governor with the consent of the Senate.

It is estimated that around 510,000 persons in Ohio will be covered by this bill. Senate Bill 222, along with the Voter Registration Bill (S. B. 125), Tandem Election of the Governor and Lt. Governor (S. B. 115), and the Budget Bill are probably the four most important pieces of legislation the Senate will consider this year. All interested persons should keep close track of the progress of this bill.

Officials Tour Seneca SWCD Ditch Plan

Officials of the Pickaway County Soil and Water Conservation District and Soil Conservation Service, and other county officials visited the Seneca SWCD on April 14.

Attending from Pickaway County were Commissioners L. Robert Liston, Don Strous, and Carl Schein; Pickaway County Engineer Henry McCrady and his assistant, Bob Parker; James Kingsley, Pickaway County Prosecuting Attorney; and H.M. Everhart, Charles McCray, Donald Archer, Olive Neff, and Ray Taylor.

The purpose of the meeting was to review the Seneca County Ditch Maintenance Program.

Seneca County has over 300 Group Drainage projects and through an agreement between the Seneca County Commissioners, the County Engineer, and the Seneca SWCD, the Soil and Water Conservation District has responsibility for the initiation and maintenance of group drainage projects.

All drainage problems involving more than one individual are considered group projects and are handled by the Soil and Water Conservation District under the provisions of the Ohio Drainage Laws.

When a group project is put on maintenance, a percentage of the construction cost of the project is set aside and maintained in the Treasurer's office. This money is then used for any maintenance the ditch, tile, or structure may need in the future.

Repairs on tile outlets, removal or spraying of brush, and removal of silt, debris, or other obstructions are accomplished and paid for from the maintenance fund.

When the maintenance fund is depleted, the benefiting participants in the group project are assessed additional taxes, within the guidelines of the Ohio Drainage Laws, and the maintenance fund is built up again.

This procedure insures keeping a drainage project in good working condition, and if maintenance is needed the funds are available.

The Pickaway County Commissioner, the County Engineer, and the Pickaway Soil and Water Conservation District are looking at setting up a ditch maintenance program similar to the program in Seneca County.

Under this arrangement the Pickaway SWCD would supervise the ditch maintenance program. By doing this, all agencies involved hope to give better, faster, and less costly service to the people of Pickaway County.

Grange News

STAR GRANGE

Star Grange met in regular session Tuesday evening in the basement of the Five Points United Methodist Church for their April meeting with Worthy Master Carroll Reid presiding over the business session. "Thank You" notes were read from Mrs. Bertha Porter, Mrs. Lulu Sheets and Francis Furniss for the flowers they received at Easter.

Three new members were accepted in to membership; Dawn, Joy, and Winfred Warren Bidwell. Mrs. Francis Furniss, chairman of the Women's Activity Committee thanked all who donated food and helped serve Pomona Grange and the N.F.O. banquet. She also announced that the sewing and baking contests will be held at the May meeting and urged members to participate.

Letters of appreciation were read from the Red Cross and the 4-H clubs and a contribution was made to assist with the 4-H Club projects at the fair.

The program "Springtime" opened with roll call of members and each one telling what Spring means to me. Winfred Bidwell read, "Spring Plowing", Laura Long read, "Guests" and Ernestine Lewis read, "This Moment". Mrs. Allen Follrod read, "Spring Rain" and Joy Bidwell read "My Pet Lamb". Ellen Dennis read a prayer and the group sang, "America the Beautiful". Mrs. Joan Dawson, lecturer pro tem, then conducted a very interesting contest on naming spring flowers which proved very interesting. Mrs. Follrod had the most correct answers.

At the close of the meeting seasonal refreshments were served by Mr. and Mrs. Allen Follrod, Mrs. Ellen Dennis and Mr. and Mrs. Paul Dawson.

OU Chillicothe Plans College Night

Ohio University-Chillicothe Campus will host a College Night program and reception for prospective students, parents, and guidance counselors on April 28, in Stevenson Center.

Information regarding Ohio University-Chillicothe Campus will be available from 5-8 p.m. Faculty members will be available to answer questions regarding majors and programs offered at Ohio University-Chillicothe. Admission procedures information will be available, as well as information on the various types of financial aid for students attending the Chillicothe Campus.

Tours of the Stevenson Learning Resources Center and Bennett Hall will be provided by members of the Student Senate and a slide presentation will be available for viewing.

Area Educators Attend Workshop

Attending the Jennings Scholar Alumni Workshop at Capital University Saturday were six area educators: Margaret Lares, Ula Jean Metzler, Amy Miga, Virginia Nothstine, Lucille W. Scott, and Ruth Thompson.

Dr. Marcus Bach, the Director of the Fellowship for Spiritual Understanding in Palos Verdes, Calif., was lecturer and workshop leader. Dr. Bach is an eminent authority on world religions, a prolific author, and an exponent of holistic healing — meaning total health for the total person — physical, mental and spiritual. His theme for the workshop was "The Power of Total Living."

The purpose of the Jennings Scholar Alumni Workshop is to provide continuing recognition for the outstanding teachers who have been honored previously by selection as Jennings Scholars in 1968, 1971 and 1974.

K Of P Has Carry-In

A family carry-in dinner was enjoyed by 60 members of Philos Lodge, Knights of Pythias, and their families and friends April 18 at the lodge hall. After the meal, a 50-year pin, card, and diploma was presented to Henry McCrady.

Twenty-five year pins were presented to Dr. F. C. Schaeffer, Richard Plum, Francis Clark, Harold Defenbaugh, and Ernest Young.

The awards were presented by Frank Woodward Jr., Supreme Representative, and Milo M. Wise, Grand Lodge Officer.

Tracy DeLong was in charge of entertainment following the ceremonies.

In 1800 Warren in Trumbull County had but two log houses on the banks of the Mahoning.—AP

SPORTS

The Circleville Herald, Wednesday April 20, 1977 13

19-Hit Barrage Gives Logan Elm 14-3 Win

Logan Elm Braves blasted Gloucester Trimble 14-3 Tuesday to improve their baseball record to 11 wins and two losses.

Trimble came into the game sporting a 9-2 record and their pitcher, Meade, had not lost in three years. He and his relief hurler were bombed for 19 hits, walked two and struck out two.

Logan Elm's sophomore right hander whiffed 10, walked six and gave up four hits.

For the Braves Jeff Collins singled, Lynn Strehle doubled and drove in two runs, Mike Davis drove in a run with two singles, Tim Fouch drove in two with a single and a double, Tony Crist plated three with a single and a triple, Chuck Cave smacked a double and two singles, Jerry Scanlan hit three singles and a homerun, Randy Pontius hit three singles and a grand slam home run driving in a total of five runs.

The visitors took a 1-0 lead in the top of the first inning, but the Braves tied the score on the first pitch in the bottom half of the frame when Scanlan parked one over the right field fence. From then on the game belonged to the Braves.

In the second, a double by Fouch, single by Collins, single by Davis, walk to Scanlan and Pontius' bases loaded blow over the left center field fence provided five runs.

In the fourth the Braves put together singles by Scanlan, and Pontius, a double by Strehle, singles by Cave, Crist and Fouch for five runs. In the fifth singles by Scanlan and Pontius and a triple by Crist scored two runs and in the sixth singles by Davis, Scanlan and Pontius accounted for the final run.

The Braves put their perfect 5-0 Mid State League record on the line Thursday when they host Canal Winchester.

Orioles Edge Indians, 6-5

By KEN RAPPOPORT
AP Sports Writer

Brooks Robinson gave it his best shot — then gave it his best trot. Baltimore's Invisible Man made one of his infrequent appearances count Tuesday night with a three-run homer in the 10th inning, giving the Orioles a dramatic 6-5 victory over the Cleveland Indians.

"This was my biggest thrill in a long time," said the 39-year-old Robinson. "It's a day-to-day thing for me. I was lucky to get a contract this year."

The hit was the 2,842nd and home run No. 268 for Robinson in a shining career that extends back to 1959. But it was only his third appearance this season, since he has been reduced to part-time status in the twilight of his outstanding career.

The Indians had taken a 5-2 lead with three runs in the top of the 10th before the Orioles rebounded. When Robinson moved into the on-deck circle, just before Lee May lashed a run-scoring single, he elicited a strong reaction from the Baltimore fans.

Cleveland Manager Frank Robinson

Ken Mayer New Head Of 49ers

SAN FRANCISCO (AP) — Ken Mayer, who replaces untameable Monte Clark as head coach of the San Francisco 49ers, says he won't have any problems getting along with controversial General Manager Joe Thomas.

"The lines of demarcation have been spelled out and I'm perfectly satisfied with what I have," said Mayer, until Tuesday the offensive coordinator of the rival Los Angeles Rams.

"I never get involved in the Xs and Os," added Thomas. "The coach makes the decisions on the field and I'm responsible for personnel — the draft and cutting."

Both Thomas and Mayer said the new coach would have input in personnel decisions, but Thomas will have the final voice if there are conflicts.

The naming of Mayer, 51, Tuesday by 49er President Edward J. DeBartolo Jr. ended a two-week search during which four persons, all offense-oriented, were seriously considered, Thomas said. He did not name the three not chosen.

The search started when Clark, who guided the 49ers to an 8-6 record in his first year as a National Football League coach, was ousted because he refused to renegotiate a contract which gave him much of the power now wielded by Thomas.

Flyers Blank Maple Leafs

PHILADELPHIA (AP) — The Philadelphia Flyers thought they could do without Reggie Leach and Wayne Stephenson during the regular season.

But both players proved otherwise in the fifth game of the National Hockey League quarter-final playoff series against the Toronto Maple Leafs.

Leach was benched at various stages of the regular season when Flyers Coach Fred Shero lost confidence in the strong-shooting winger. And Stephenson, a goalie, was allowed to go home in a fit of pique over a salary hassle.

Leach worked his way back into the lineup and wound up with 32 goals and 14 assists, far off his previous season's production of 61-30. Stephenson finally decided that playing hockey was better than auditing books, and returned to win 12 games as the Flyers won their division title.

Tuesday night, Leach scored both goals in a 2-0 victory, while Stephenson stopped 21 Maple Leafs' shots for his second career playoff shutout. The victory gave the Flyers a 3-2 lead in the best-of-seven game series, which returns to Toronto for Game Six Thursday night.

Braves' Reserves Down Tiger Nine

The Logan Elm Braves' reserve baseball team defeated Circleville's Tigers by a 9-7 score on the Tiger diamond Tuesday night.

Dick Adams started the mound duties for the Braves, and Jeff Davis came to the hill for the final three and one third innings.

Adams gave up five hits, struck out two and walked two. Davis allowed three hits, fanned seven, and had one base on balls.

Kevin Woltz started for the Tigers and went the distance, allowing eight hits, six free trips, and sent down seven.

The Tigers stranded six runners, compared to the Braves' five. Davis helped his own cause with a double, as did teammate Rookie Colliton. Ted Robinson and Tom Congrove belted triples for the Braves.

Big bats for the Tigers were Pat Poorman, Jeff Strawser, and Jerry Mogan with doubles. Poorman also played long ball in the sixth inning with a man aboard.

The next outing for the Tigers will be at noon Saturday when they face the Miami Trace Panther Reserves in a double header. The little Braves will go against Westfall's Mustangs at 4:30 on April 27.

talked with reliever Dave LaRoche and decided to let the left-hander pitch to the right-handed hitting Robinson. "Frank probably looked up and said, 'Here comes old Brooksie. It's a tailor-made double play,'" said Brooks Robinson.

But the ball went up and out instead of into the ground, as the Cleveland manager had hoped.

In other American League games, the Toronto Blue Jays beat the New York Yankees 8-3, the Milwaukee Brewers edged the Oakland A's 5-4, the Boston Red Sox clobbered the Detroit Tigers 11-3, the Kansas City Royals belted the Minnesota Twins 11-3, the California Angels routed the Chicago White Sox 11-2, and the Texas Rangers beat the Seattle Mariners 3-1.

Blue Jays 8, Yankees 3
Toronto rookie Jerry Garvin tamed, punchless New York on eight hits for his third consecutive victory as the expansion Blue Jays beat the defending American League champions for the second day in a row. Toronto collected 11 hits, including three doubles, off three New York pitchers, and ex-Yankee Otto Velez drove in two runs for the second consecutive game with a single and double.

A jeering crowd of 9,954 at Yankee Stadium voiced its displeasure with cascades of boos as the Yankees dropped their fifth straight game and eighth in their last nine.

Brewers 5, A's 4
Jamie Quirk doubled and pinch hitter Dan Thomas tripled as Milwaukee rallied for two runs in the ninth inning and beat Oakland. The A's took a 4-3 lead in the eighth when Earl Williams and pinch hitter Rich McKinney hit two-run homers.

It was the fifth straight victory for

Milwaukee, the American League East leader, while the A's absorbed their third consecutive loss.

Red Sox 11, Tigers 3
Rick Burleson stroked three hits, including a two-run homer and a triple, pacing Boston's 17-hit attack against Detroit.

Burleson's homer, his first of the season, highlighted a six-run second inning. Rick Miller got a double and two singles and drove in three runs. Jim Rice also had three hits and Carlton Fisk and Dwight Evans two each.

Royals 11, Twins 3
Light-hitting Frank White drove in three runs with a homer and a double in the same inning as Kansas City batted around in the fifth and trounced Minnesota. White's leadoff homer snapped a 3-3 tie and ignited a seven-run burst off Twins starter Pete Redfern and reliever Don Carrithers.

Angels 11, White Sox 2
Frank Tanana scattered six hits, leading California over Chicago for his third straight victory. Joe Rudi tied an Angels' club record by scoring four runs. He also had three singles and a three-run homer, his third of the season.

Rangers 3, Mariners 1
Toby Harrah's three-run homer with two out in the ninth led Texas over Seattle. Harrah, who had grounded into double plays twice earlier, ripped the first pitch from Seattle starter Gary Wheelock into the left field seats, scoring Mike Hargrove and Ken Henderson.

Until Harrah's blast, Wheelock had scattered six hits through the first eight innings and struck out six in his bid to become the first Mariner pitcher to hurl a complete game.

Mustangs Break Into Win Column

Howard Rowland pitched the Westfall Mustangs through a no-hitter for the first five innings Tuesday and the Mustang offense responded with an eight-run fifth inning, as Westfall went on to defeat the Berne Union Rockets by a 15-1 count.

Besides the lone run, Rowland allowed three hits, gave up three walks, and sent seven down swinging. Cox, the losing hurler for the Rockets, gave up two free trips, fanned six, and was rapped for 13 hits by the Westfall bats.

Dave Clem, Rick Stillings, Randy Adams, Rowland, Carey Puckett, and Mark Henson all had singles for the Mustangs. Clem Stillings, and Neil Keller all belted doubles. Clem also smashed a three-bagger in the contest. Henson was two for three at the plate, Stillings went three for four, and Clem finished the afternoon three for five.

The win moves the Mustangs into the win column with a 1-7 record. Their next outing will be tonight at 4:30 on the Mustang diamond against the Zane Trace Pioneers.

LE Girls Win Track Meet

The Logan Elm High School girls' track team defeated Fairfield Union 69-41 Tuesday, winning a total of nine events.

Patty Larson set a new school record in the shot, heaving the iron ball 33 feet 1 1/2 inches to capture that event.

Lynnette Weaver was clocked in 14.1 seconds as she broke the tape in the low hurdles. The 880-yard medley relay team of Carol Rittinger, Beth Spangler, Cindy Gifford and Debbie Disbennett won in 2:06.

Carol Rittinger paced the mile in 6:23.5, Kami Poling won the 440-yard dash in 70.7, Cindy Gifford hurled the discus 74 feet 11 inches. The 440-yard relay team of Veronica Miller, Debbie Calton, Cindy Gifford and Beth Spangler was clocked in 58.5 and the mile relay team of Carol Rittinger, Diane Rhoads, Kami Poling and Ramee Huggins toured the oval in 4:52.7.

Second place finishes were by Lynnette Weaver in the high jump, Veronica Miller and Susan DeLong tie in the long jump, Cherie Tinney in the 100-yard dash, Cheryl Hawkins in the mile run, Diane Rhoads in the 440, Patty Larson in the discus, Ramee Huggins in the 880 and Susan DeLong in the 220.

Third places were won by Huggins in the high jump, Sherry Grate in the shot, Kim Williams in the hurdles and 440 and April Wilamowski in the discus.

The next meet for the LE gals will be at the Pickerington Invitation Saturday.

Adena Nips ZT In Reserve Tilt

The Adena reserve baseball team parlayed two third inning runs into a hard-fought 4-2 win over Zane Trace Tuesday night.

The winners scored single runs in the first and fifth innings to go with the third frame uprising. Zane Trace scored single runs in the first and second innings.

Wayne Harris picked up the win and Kevin Roll was credited with a save as they combined for a nine-hitter. They fanned five and walked five.

The Zane Trace loser was Gary Stump, who combined with Bub Wright to fire a seven-hitter. They walked three and fanned nine batters.

The Adena attack was led by Richard Scott who had a single, and a triple, and Duane Harris who pounded a double.

Bob Seifert cracked two singles for Zane Trace and Chris Pinkerton had a double.

George Kell, a former third baseman, will again handle play-by-play action for Detroit Tiger telecasts. Former outfielder Al Kaline will act as an analyst.

TV Girl Tracksters Take Dual Meet Win

Teays Valley roared to its fourth straight dual meet track win Tuesday by posting 12 first places in an 83-31 win at Grandview.

Perri Martin grabbed three firsts and anchored the winning 880-yard medley relay team, while Melissa Archer posted wins in the shot and discus.

Martin won the mile run in a time of 6:04.7 and Gale Warner took third place for Teays Valley. She captured the 880 in 2:36.3 with Kris Adkinson placing third. And she won the high jump event in 5-feet with Kim Ogan taking second.

Archer won the discus with a toss of 76 feet, two inches, and hurled the shot 30 feet, four inches for another win. Lana Sturgell placed second in the discus and third in the shot for Teays Valley.

In other events, Carla Nardi won the long jump with a leap of 13 feet, 5 1/2 inches and Phyllis Gay placed third. Kim Ogan won the 220 in 30.7

seconds; Lisa Walden won the 100-yard dash in 12.5 seconds; Kathy Foreman took the 80-yard hurdles in 14 seconds with Phyllis Gay second; and Foreman placed second in the 440.

In relays the team of Kim Ogan, Teresa Van Pelt, Lisa Walden, and Perri Martin won the 880 medley in a time of 2:03.1; the team of Ogan, Carla Nardi, Van Pelt, and Walden took the 440 in 57.7 seconds; and the team of Kathy Foreman, Kelly Martin, Van Pelt, and Gale Warner took the mile relay in 4:51.

The Vikings of Coach Angie Rinehart won their first meet of the year April 5 by edging Marysville 54-53. They topped Hillsboro 56-54 on April 7, and beat Madison Plains 75-45 April 14.

The Vikes will host Franklin Heights in a 4:30 p.m. dual meet Thursday. The Falcons edged TV by a point for second place in the Metro League track meet last year.

Dodgers And Reds In 2nd Confrontation

CINCINNATI (AP) — Cincinnati Reds Manager Sparky Anderson said the season is too young to start panicking as he prepared for today's 12:30 p.m. game with the streaking Los Angeles Dodgers.

"We just have to stick close to them for the first couple months. I can't explain it but they wilt in the summer months. Maybe it is because they push too hard too early."

The Dodgers belted the reeling Reds

OSU Probe Under Way

COLUMBUS, Ohio (AP) — The NCAA has begun an investigation of alleged football recruiting violations by Ohio State University, Hugh Hindman, OSU athletic director, confirmed Tuesday.

Hindman said an NCAA investigator and Big Ten Commissioner Wayne Duke were on the campus last week for what he called a "preliminary inquiry."

The athletic director, saying he was "not directly involved" in the visit, declined to discuss the matter further, other than to say he believed it was a routine probe which always follows the lodging of charges.

The investigation stems from stories printed in the Michigan State University student newspaper last August and September which alleged that OSU coaches:

—Promised and gave money to recruits.

—Promised free trips to the Rose Bowl for recruits, family and friends.

—Paid police officers and an Ohio high school coach to transport prospective players to the Columbus campus for visits.

—Paid for expensive meals and nights on the town for prospective players.

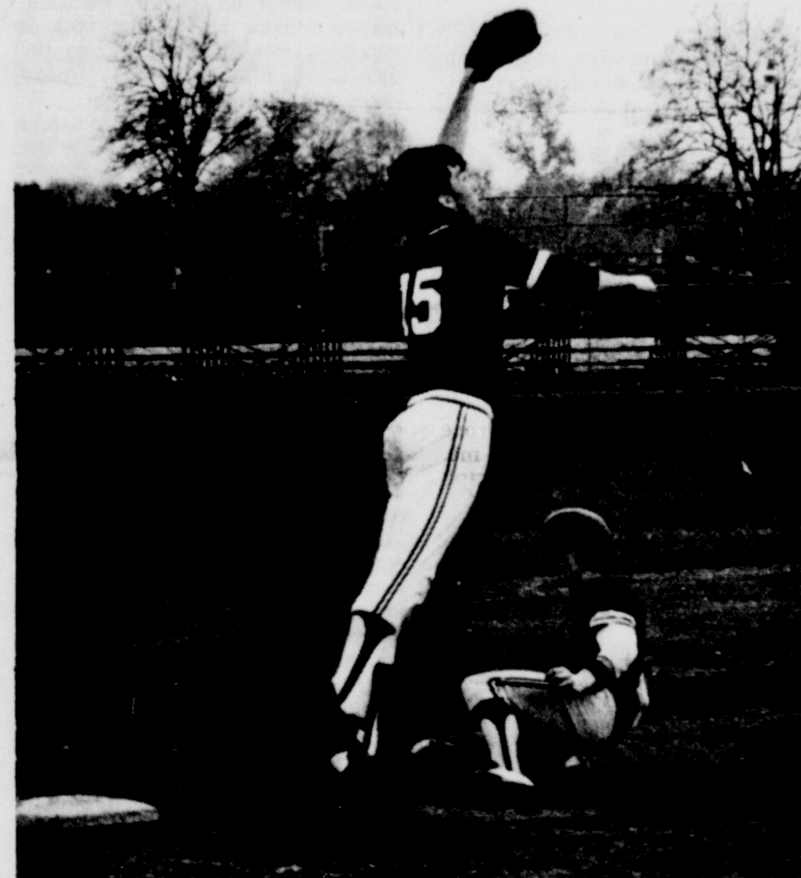

Syracuse Chiefs

Beat Columbus, 9-4

By THE ASSOCIATED PRESS
Led by Larry Murray's three hits, including a solo homer, the Syracuse Chiefs trounced Columbus 9-4 to win their International League home opener for the first time in six years.

In other International League baseball action Tuesday, Rochester beat Richmond, 6-2, Tidewater edged Toledo, 4-3 and Charleston defeated Pautucket, 7-4.

Every member of the Syracuse starting lineup collected at least one hit as the Chiefs battered Columbus for 15 hits. Besides Murray's round-tripper, Dennis Werth had a two-run homer in the fourth.

OVERTHROW — Teays Valley's Duane Keller hits the dirt to slide safely into third base as Alan Ranck goes high to battle a throw. Keller scored on the overthrow, but Circleville fought back to take an 8-5 win Tuesday.

Brad Allison, making his first varsity pitching assignment, twirled a five-hitter to lead Circleville to an 8-5 win over Teays Valley on the Viking field Tuesday.

Allison walked four and fanned seven in going the distance and pacing the Tiger's second win in four games.

Circleville is 1-2 in the South Central Ohio League. Teays Valley dropped to 2-9 in all games and hold a 1-3 mark in the Metro League.

The Vikings reached Allison for their five hits and runs in the first two innings before he settled down to hurl hitless ball in the final five frames.

The Vikings jumped to a 4-0 lead after the first frame and were leading 5-1 after two before the CHS bats came to life.

The Tigers scored a single run in the third inning and tied the tilt in the fourth on Mearns Logan's single which netted two runs.

The teams were locked in a 5-all tie until the top of the seventh inning when Bob Fuller reached base on a fielder's choice and Gary Combs cracked a

single. Bret Allen doubled in the winning run and Tom Scherer stroked a two-base hit for the two insurance runs.

Dean Gloyd suffered the loss for Teays Valley, giving up 12 hits while walking two batters and fanning a pair.

For Circleville, Logan and Combs had two singles each, Allen, Scherer and Allen Ranck had doubles, and Allison, Bo Barthelmas, Mogan, Meena, and Eric Berger stroked singles.

The Vikes were paced by Charley Lee, who was called up from the reserve team to collect a pair of singles.

Duane Keller had a double, and Terry Trego, John Sanders, Lance Roese, Gary Van Pelt, and Eric Graves had singles.

Lee joined the Viking varsity after first-team shortstop Greg Prince broke his arm diving for a ball in a recent game against Franklin Heights.

Both teams return to league action. Circleville will host Greenfield today in a 4:30 p.m. contest, while Teays Valley plays at Dublin on Thursday.

Ruthven, Atlanta Beat Padres, 4-1

By BOB GREENE
AP Sports Writer

Disregard Dick Ruthven's spring training record. It is the regular season that counts.

The Atlanta right-hander ran his record to 3-0 Tuesday night with a five-hit, 10-strikeout, 4-1 victory over the San Diego Padres.

During spring training, Ruthven was cuffed around for a 9.43 earned run average. But on the baseball calendar it is no longer spring.

"Somebody rang a bell," Ruthven said of the regular season. "As soon as the season started, I knew I would be ready. I might have given somebody ulcers in the spring, but not me."

Even Padres loser Dave Freisleben was impressed.

"He'll lull you to sleep with the change and the curve ball, then throw heat right by you," Freisleben said. "He can throw hard."

In other National League games Tuesday, Montreal blanked Pittsburgh 6-0, Philadelphia edged Chicago 7-5, San Francisco stopped Houston 7-4 and New York defeated St. Louis 5-2.

Rowland Office and Gary Matthews

provided the Atlanta power with home runs, but it was Ruthven's artistry on the mound that sparkled.

"At no point did I not feel like I had control until the eighth," when he gave up a walk, Ruthven said. Then Jerry Turner's bouncer through the middle was knocked down by shortstop Pat Rockett, who made a force play at second while flat on his stomach.

"Pat's play was the turning point of the game," Ruthven said. "I had lost my concentration temporarily and that woke me right up."

Expos 6, Pirates 0

A five-hitter by Don Stanhouse and Warren Cromartie's three-run triple carried Montreal to its triumph over Pittsburgh. Cromartie's triple highlighted a five-run sixth inning for the Expos.

Ellis Valentine homered in the eighth for Montreal.

Phillies 7, Cubs 2

A two-run triple by Ted Sizemore sparked a five-run third inning and Larry Bowa's first home run in two seasons in the fourth led Philadelphia to a rain-delayed victory over the Cubs. The Phillies scored all five of

their runs with two out in the third.

Jerry Morales drove in four Cubs' runs with two doubles and a single. The game was held up for 30 minutes by rain in the top of the ninth.

Giants 7, Astros 4

A two-run single by Willie McCovey in the sixth inning broke a 4-4 tie and lifted San Francisco past Houston. The hit came off Floyd Bannister, the first selection in the 1976 free agent draft who was making his first major league appearance.

Enos Cabell tied a Houston club record with three stolen bases in the game, the second time he has accomplished the feat this season.

Mets 5, Cardinals 2

John Milner scored the tie-breaking run in the sixth inning and singled home an insurance tally in the seventh, leading New York past St. Louis. Winner Jerry Koosman and Skip Lockwood combined to limit the Cardinals to six hits.

Hector Cruz accounted for both St. Louis runs with a homer with one on.

Bullets Bounce Back, Beat Rockets, 111-110

By ALEX SACHARE
AP Sports Writer

"If you've got to fall behind 16-1," said Washington Coach Dick Motta, "it's best to do it at the start of the game."

Motta's Bullets did precisely that in the opening game of their National Basketball Association quarter-final best-of-seven playoff series at Houston Tuesday night, then rallied and beat the Rockets 111-101.

"There was no place for us to hide in the first quarter," said Motta. "If I could have gone home then, I would have."

Instead Motta stuck around and

watched his club outscore the Rockets 23-5 in the final six minutes of the second quarter for a 46-46 halftime tie. The Bullets went ahead to stay 71-69 on a jumper by Phil Chenier with 3½ minutes left in the third period and pulled away despite 14 points in the fourth quarter by the Rockets' Mike Newlin.

Washington's bench provided the impetus, rookie center-forward Mitch Kupchak pouring in a career-high 32 points and guard Larry Wright scoring 14. Among the starters, Elvin Hayes scored 22 and Chenier 20.

Newlin led the Rockets with 24 points and Rudy Tomjanovich scored 19.

The loss erased the Rockets' home-court advantage and was the second time a team which had received a bye through the first round of the playoffs lost to one which played in the first round.

Boston beat Philadelphia 113-111 Sunday in the opener of their series, which resumes tonight at Philadelphia.

The other two quarter-final series begin tonight, with Portland at Denver and Golden State at Los Angeles.

Billy Martin's Job On The Line?

NEW YORK (AP) — Fiery, combative Billy Martin is walking a tightrope as boss of the beleaguered New York Yankees.

One slip and the little gut fighter, survivor of countless on-and-off-the-field brawls, may find his managerial career following the same im-

ponderable course that marked his abbreviated tenures first with Minnesota, then Detroit and finally Texas.

Call them the "Second Time Around Blues." Or "Blahs."

What mysterious quirk is there in the personality of a man who can take a baseball club, turn it into an instant

winner and then suddenly find himself out of a job?

Television commercials kid about fading popularity in hawking their deodorants and mouthwashes. With Billy Martin, it is nothing so personal. His abrupt falls from grace in the past apparently can be traced almost exclusively to an unbending independence and an arrogance in dealing with his employers.

In the case of George Steinbrenner, a stubborn and ironwilled individualist himself, this could be catastrophic for Martin.

Steinbrenner didn't create a ship-building empire by being a shrinking violet. Neither did he throw his hard-earned millions into baseball without expecting some deference from the men to whom he is paying, in many cases, unrealistic salaries.

Returning to Yankee Stadium to find his gold-plated Yankees mired in the cellar after losing eight of their first 10 games, Steinbrenner called the team into the locker room Tuesday, gave them a good chewing out and handed Manager Martin a tentative vote of confidence.

"One acorn doesn't make a fall," he said. "We'll snap back."

Then he acknowledged he had to treat baseball as he does his business. "In a big corporation, if the earnings are poor, what do you do? You replace the president," he said. "In baseball, it's the manager. His job is to produce or else."

Martin may have anticipated this punch earlier in the week when, before starting the calamitous series with the expansion Toronto Blue Jays, he quipped: "If I'm gonna be fired, I'm gonna be fired my way."

Martin's managerial career has followed a fixed pattern. Aggressive, thoroughly likeable, good in his relationship with players, he has moved into dormant situations and produced winners. Then, when apparently on top of the baseball world, he has been dumped.

Some have said he has a faculty for alienating his bosses through sheer bull-headedness.

Billy took a losing team at Minnesota and, in the first year, led the Twins to the divisional championship. A month later he was fired. He went to Detroit in 1971 and next year had the Tigers atop the American League East. He was let out in 1973, picking up a job with Texas. He brought the Rangers from sixth to second before being let out in 1974.

CHS Track Team Wins Quad Meet

The Circleville High School track and field team won eight of 15 events and placed second 11 times to sweep to a quadrangular track meet victory Tuesday at the Tiger all-weather oval.

Circleville scored 109½ points, Fisher Catholic was second with 48½ points, Fairfield Union was third with 42 and Madison Plains had eight.

Dave Phillips paced the Tigers winning four events. He jumped 19 feet 3¼ inches in the long jump, won the 120-yard high hurdles in 14.9 seconds, the 180-yard low hurdles in 21 seconds and the 220-yard dash in 23.1.

In the field events Marc Albright's heave of 138 feet 1 inch captured first in the discus while Jeff Moorehead's vault of 11 feet 9 inches won that event.

Dave Uland turned in a 10:24.1 2-mile race and the Circleville 880-yard relay team of Earl Stevenson, Dave Marshall, Mike Brudzinski and Wayne Rhoades won that race in 1:37.3.

Finishing second were the mile relay team, Joel Baker in the 2-mile, Jim Gates tied with Walker of Fisher Catholic in the 180 low hurdles, Greg Berrigan in the 440, Tom Taylor in the mile, Don Hill in the high jump, Frank Merrill in the broad jump, Bill Mogan

in the discus and Bryan Price in the shot.

The Tiger thinclads travel to Chillicothe Thursday and to the Whitehall Invitational Saturday.

Here are the complete results of the track meet:

Shot — 47 feet 6¼ inches: Rowland (FC), Price (C), Albright (C), Hines (FU).

Discus — 138 feet 1 inch: Albright (C), Mogan (C), Heffelfinger (C), Molroy (FC).

Broad Jump — 19 feet 3¼ inches: Phillips (C), Merrill (C), Mock (FC), Brudzinski (C).

High Jump — 5 feet 10 inches: Urlings (FC), Hill (C), Smith (MP) and Barber (FU) tie.

Pole Vault — 11 feet 9 inches: Moorehead (C), Dodds (FC), Gates (C) Stout (C).

120-High Hurdles — 14.9 seconds: Phillips (C), Comeschus (FU), Hoffman (FU), Smith (MP).

100-Yard Dash — 10.5: Carter (FU), Changet (FC), Rhoades (C), Stevenson (C).

Mile — 4:31.8: Mock (FC), Taylor (C), Uland (C), Leahy (C).

880-Yard Relay — 1:37.3: Circleville, Fisher Catholic, Madison Plains.

440-Yard Dash — 51.4: Wheeler (FU), Berrigan (C), Troedia (FU), Wheeler (MP).

180-Yard Low Hurdles — 21.0: Phillips (C), Gates (C) and Walker (FC) tie, Hoffman (FU).

880-Yard Run — 2:00.2: Muck (FC), Merrill (C), Barber (FU), Huffman (MP).

220-Yard Run — 23.1: Phillips (C), Gartrell (FU), Rhoades (C), Rice (FC).

2-Mile Run — 10:24.1: Uland (C), Baker (C), Sanmeltzer (F), Spires (FC).

Mile Relay — 3:33.9: Fairfield Union, Circleville, Fisher Catholic.

Nordiques Top Whalers

By THE ASSOCIATED PRESS

Quebec Nordiques Coach Mark Boileau is a hard man to please.

"We weren't working," Boileau said after the Nordiques blanked the New England Whalers 3-0 Tuesday night and won their World Hockey Association quarter-final playoff series 4-1.

"We gave them lots of breaks in the second period, we made a lot of bad moves but they didn't take advantage of them."

The victory moved the Nordiques into the semifinals against the Indianapolis Racers, who completed a fourgame sweep of their best-of-seven quarter-final series against the Cincinnati Stingers last week.

"They're a disciplined, tough team with good goaltending," Boileau said of the Racers. "It should be a great series."

Elsewhere in the WHA, the Edmonton Oilers, trailing Houston 2-1 in their quarter-final series, entertain the Aeros tonight, while the Winnipeg Jets and San Diego Mariners, tied 2-2, play the fifth game of their series at Winnipeg.

Sovereign Scotch Wins At Lebanon

LEBANON, Ohio (AP) — Sovereign Scotch won the featured pace mile at Lebanon Raceway by a neck Tuesday night and paid \$6.40, \$4.60 and \$3.60.

Norma Creed, second, paid \$4 and \$4 and Power Byrd, third, 3.80.

The 7-2 double of Genesta and Bumble Bee Shene returned \$90.80 and the crowd of 1,442 bet \$139,148.

Ohio Preps For Annual Wheelchair Games At OSU

Over 100 athletes have registered for this year's Ohio Wheelchair Games, to be held in Columbus on Friday and Saturday.

The athletes will compete in track and field, archery, swimming, weightlifting, billiards, bowling, and table tennis. There are also two events for electric wheelchairs.

Friday events will start with billiards at 1:30 and bowling at 2:30 p.m. at the Ohio Union on the campus of the Ohio State University. Field events begin at 5:30 and track events at 7 p.m. in the Ohio State Stadium.

Saturday, the events start at 9 a.m. with the swimming at the Upper Arlington High School Natatorium. Archery follows at 11:30 a.m. at the stadium field, and table tennis begins

at 1 p.m. in the French Field House, adjacent to St. John's Arena on the OSU campus. Also at the field house at 3 p.m. will be weightlifting.

All events are open to the public free of charge.

Any athletes that meet qualifying times and distances will go to San Jose, California in June to participate in the National Wheelchair Games.

The Ohio Wheelchair Games Awards Banquet will be held at the Holiday Inn on Lane Ave. in Columbus on Saturday evening.

Competitors from Circleville and Pickaway County who have done well in past wheelchair competitions are Roy Nungeter 9500 of State Route 56 East, and Larry Stant, of 1995 Ottawa Drive.

DAILY CRYPTOQUOTE — Here's how to work it:
A X Y D L B A A X R
is LONGFELLOW

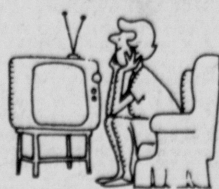

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

The kiwi is extremely nearsighted and prefers to sleep during the day. It hunts at night by tapping the ground with its long bill like a blind man with a cane.

Views On Television

LOS ANGELES (AP) — Himself the subject of a coming "60 Minutes" story on CBS, David Frost today meets with Richard M. Nixon to tape the last of his exclusive interviews with Nixon on the latter's career and the Watergate scandal that cost him the presidency.

As with 11 previous interviews, today's session is being taped in tight security at a private home in South Laguna, 12 miles north of Nixon's posh beachfront estate in San Clemente.

Marvin Minoff, executive vice president of Frost's production company, insisted by phone earlier this week he didn't know what areas will be covered in today's final interview with Nixon.

The tapings, which began March 23 and for which Frost reportedly paid Nixon \$600,000, will be edited into four 90-minute shows to be aired in the United States and overseas for four weeks in May.

The shows, to air domestically on May 4, 12, 19 and 25, won't be on any of the three major U.S. networks, which declined to pay the fee sought to interview the ex-president.

The programs instead will be on 138 stations, of which 15 are independents, three are public TV outlets and the rest are network affiliates, says Leonard Koch, a top executive at Syndicast Services, a New York firm hired to distribute the shows.

Excluding New York's WNEW, which will air the shows at 8:30 p.m., each Nixon-Frost interview will start at 7:30 p.m. in the East and West and an hour earlier in the Midwest, he said.

In addition, the audio portion of each interview will be simultaneously fed to the 730 affiliates of the Mutual Broadcasting System, which bought radio rights to air the interviews. Frost's company declines to say how much was paid by Mutual.

To guard against premature disclosures that could lessen the impact — and ratings — of what Nixon tells Frost, no tapes of the shows are being provided stations in advance.

Instead, they'll be transmitted over a special national hookup at the time and day of each scheduled broadcast.

And although correspondent Mike Wallace and a "60 Minutes" crew from CBS News has been putting together a story on Frost, they haven't been allowed to attend any of the Nixon interviews, according to Frost's partner, Minoff.

He said they won't be provided excerpts from the interviews, nor will they be allowed to see what's been taped prior to broadcast.

A CBS spokeswoman in New York said the "60 Minutes" story on Frost is tentatively scheduled to air May 1, four days before Nixon's first program with the British talk show star is televised.

She quoted Don Hewitt, executive producer of the CBS show, as declining to say if the Frost segment he plans will include an excerpt of the Nixon interviews.

Minoff said no network will be allowed to tape broadcasts of the Nixon interviews for inclusion in its own news programs.

During the California Gold Rush, the 49ers spent up to \$2 for one onion and \$3 for one egg.

MARIONETTE SHOW — Deeana Bayless, a member of the Professional Puppeteers Association of America and the Columbus Puppetry Guild, entertained about 95 persons at the April meeting of the New Holland PTO

Tuesday night. Her show included hand and stick puppets and marionettes, including Rufus the dog which she shows to some of the children who attended the meeting.

President Miffed At Ford Criticism

WASHINGTON (AP) — For the 38th and 39th Presidents of the United States, the honeymoon appears to be over. Jimmy Carter is miffed at criticisms from his predecessor, Gerald R. Ford.

When he left office three months ago, Ford said he intended to refrain from criticizing his successor for some time because "I'm going to be busy, he'll be busy and I wish him the very, very best as he takes on some tough responsibilities."

But in recent weeks Ford has spoken out in public about Carter's economic policies and his handling of disarmament talks.

On Tuesday, the present occupants of the White House bristled. Both President Carter and Vice President Walter F. Mondale, in remarks to congressional leaders at a breakfast meeting, took Ford to task.

Sen. Alan Cranston, D-Calif., the Senate majority whip, quoted the vice president as saying the criticism of a newly elected president by his predecessor is "out of keeping with the American political tradition."

Cranston also said the President himself "made some muted comments. I'm not going to go into any detail."

House Speaker Thomas P. O'Neill

quoted Mondale as saying Ford's stance was "unseemly and unfair."

"It's been the history of this country that outgoing presidents are not critical," said O'Neill, who suggested Ford is starting an early 1980 presidential campaign. "I don't think it looks well in the eyes of the world for the President to be criticized by his predecessor."

The Democrats' counterattack elicited no immediate comment from Ford, although a spokesman said Mondale's remarks were relayed to him in Palm Springs, Calif.

On March 26, two days after a meeting with Carter in the White House, Ford told reporters he was "seriously concerned" that Democratic fiscal policies would rekindle inflation.

Two weeks ago he told University of Michigan students that "over-optimism and possible miscalculation" by the Carter administration contributed to the recent failure of arms talks in Moscow.

And after Carter announced his anti-inflation program last Friday, Ford said it "came in like a lion and is going out like a mouse."

Although the two men engaged in vituperation during the campaign last year, they were cordial and cooperative during the transition.

Hepatitis Outbreak Fought At Hicksville

HICKSVILLE, Ohio (AP) — State health officials said today they believe an outbreak of infectious hepatitis in Defiance County has been checked by distribution last week of 3,000 doses of serum.

There have been 70 confirmed cases of hepatitis in the county since January, about 40 of them in the village of Hicksville, said Thomas Halpin, M.D., chief of health department's Bureau of Preventive Medicine.

"This is really way out of the ordinary," Halpin said in Columbus. "Usually in Defiance County they don't have more than a handful of

hepatitis cases in a year."

Information gathered by the county health department, which Halpin said "did a super job of keeping track of the cases," showed the outbreak appeared to be centered in Hicksville in recent weeks.

The Red Cross provided a supply of gamma globulin, a serum with antibodies to protect people exposed to hepatitis, and administered 3,000 doses in schools and clinics in this northwest Ohio village of 3,461 last week.

"It's probably going to be a number of weeks before we see the positive effects from the action taken," said Halpin, adding that "with the doses in Hicksville I really expect this thing will be burning out shortly."

Reports of the illness had caused some concern among persons attending public gatherings in the village such as a school track meet, said Halpin. But he said "there really is little danger" of catching the disease if people "pay particular attention to personal hygiene."

Infectious hepatitis is a virus that attacks the liver causing gastrointestinal symptoms, a tired feeling and a jaundiced condition. Although debilitating, it rarely has serious complications, health officials said.

"There isn't any treatment for it with the exception of bed rest or supportive type treatment," said Halpin, which is why preventive measures such as serum administration are important.

An investigation of individual cases has traced the outbreak to the end of last fall, health officials said, and since then there have been about 120 cases reported. The problem is confined to Defiance County.

The illness apparently spread from person to person, Halpin said. There was no indication of a water pollution problem as a cause, he added.

Store Entered

While on routine patrol this morning at 12:45 a.m., Ptl. Ron Thompson and Ptl. Mike Eberhard of the Circleville Police Department found that the Landmark Store on W. Mound St. had been burglarized.

Paul Dean, manager of the store, was summoned to the scene. After a search of the premises, he found that three chain saws were missing. Total value of the missing merchandise was set at \$849.90.

Bill Changes Overtime Plan

COLUMBUS, Ohio (AP) — The Senate Commerce and Labor Committee has been presented a new version of a bill that would permit employees to refuse overtime.

A major change in the legislation, outlined Tuesday by Sen. Marigene Valiquette, D-11 Toledo, the chief sponsor, is that the refusal could not come until after the employee had worked 48 hours in a single week.

As originally introduced, the bill stated that an employee could refuse overtime after working 40 hours in a week.

Some other changes also were made by a subcommittee of the Senate Commerce and Labor Committee, which has had the Valiquette bill under study.

Among the other changes are those that make certain working conditions—such as lunch breaks and toilet facilities—negotiable between employers and employees. As introduced, the bill specified lunch break times and required facilities based on numbers of employees.

The full commerce and labor committee is to resume hearing testimony on the substitute bill next week.

Mound PTO Board To Meet Monday

The Mound Street Parent Teacher Organization Board will meet 7 p.m. Monday at the home of Charlotte Hill, 357 E. Mound St.

Four People Injured In Accidents

Four people were hurt in two injury accidents investigated Tuesday by Pickaway County Sheriff's Deputies.

Two were hurt in a 12:25 p.m. accident at the intersection of Route 674 and Route 752.

A semi rig driven by Donald E. Farmer, 43, Route 2, Amanda, and a car driven by David D. Cockrell, 19, 99 Long St., Ashville, were involved in the collision according to Deputy Jim Dixon.

According to the report, Farmer was driving north on Route 674 when Cockrell failed to stop for the stop sign and crashed into the side of his rig.

The wheels of the trailer Farmer was hauling drove over the front of the car before the trailer fell to its side and dumped 900 bushels of shelled corn onto the roadway.

The trailer is owned by Donald E. Bussert, Route 2, Amanda.

Rose M. McDonald, 28, Lockbourne, and a passenger in her car, Donna DeCarlo, 21, Route 1, Ashville, suffered minor injuries when their car was struck in the rear by an unknown auto 8:15 p.m. Tuesday.

The accident occurred on the Duval Road, two-tenths of a mile west of the Ashville Pike.

Ms. McDonald was driving east when the accident occurred.

Polk Delivers City Directory

R. L. Polk & Co. of Taylor, Michigan recently completed delivery to local subscribers of the 1977 Circleville City Directory.

The Directory contains four major departments along with an introduction and statistical and general review of the community.

The Classified section contains a complete list of the names and addresses of business and professional concerns arranged in alphabetical order under their appropriate classified headings.

The Alphabetical section of the Directory, in addition to showing the name, marital status, occupation and address of each resident of the Circleville area, shows telephone numbers supplied by residents. Husband and wife are counted as one name and the name and year birth of children under 18 years of age is shown.

The third section is the Directory of Householders, including a street and avenue guide. This section lists the numbered streets in numerical order followed by the named streets in alphabetical order. The residents on every street are listed along with the telephone number at each address. New neighbors are identified by a star appearing between street number and name of occupant.

The Numerical Telephone Directory is the last major section of the book. Telephones are listed in numerical order with the individual or business who has the number listed alongside.

The first and last names appearing in the Alphabetical section of the Directory are Charles L. Aaron and Charles O. Zwicker.

Arrests

SHERIFF

David D. Cockrell, 19, 99 Long St., Ashville, failure to stop for a stop sign.

KIWANIS BANQUET — Pictured above, from the left, are Dick Wylie, Secretary-Treasurer of Kiwanis Division 10-S; Mark Rustin, Key Club Division Lt. Governor; Key Lube and her husband Elton R. Lube, who is the District Governor of Kiwanis; and Doris and Lt. Governor of Division 10-S Dave Gillespie. All were participants in the recent Division banquet held at the Berwick Party House in Columbus.

Kiwanis Hold Division Council Meeting

At the Kiwanis Division 10-S Council meeting at Berwick Party House in Columbus the District Governor Elton R. Lube was the honored guest.

The Division of 13 clubs is one of 31 such divisions in the state. There are 17,000 Kiwanis in the District of Ohio.

There were two special recognitions awarded at the banquet. The Ashville Club gave a life time membership to Howard Hosler, past president and past Lt. Governor of Division 10-S. His talents and energy in Kiwanis were noted by Governor Lube in his presentation for the club. There are

very few of these awards allowed and each is serially numbered.

Lt. Governor Dave Gillespie gave a Life Fellowship in the Kiwanis Foundation to Governor Lube. The Foundation is the Kiwanis arm that functions on an overall level that clubs could not participate. The prime responsibility of the Foundation is to implement the major emphasis theme. This year it is "Safeguard Against Crime."

Governor Lube, in his presentation, spoke of the major emphasis theme as well as inform the clubs of this division that they were meeting the goals of the District with an excellent average of 95 per cent in their reporting.

The three Pickaway County Clubs — Ashville, Circleville, and Mound-builders were hosts.

In addition to the gift to Governor Elton, his wife, Kay, received gifts from each of the clubs that were distinctive for that club's location. Clubs in the division are Ashville, Berwick, Circleville, Eastern, Fairfield, Gahanna, German Village, Lancaster, Mt. Pleasant, Mound-builders, Reynoldsburg, Tri County, and Whitehall.
